Myanmar Beyond Politics To Societal Imperatives:

Myanmar Kyaw Yin Hlaing, 2003-08-01 Seeking to look beyond the day to day headlines and judgemental comments on developments in Myanmar this volume gets under the surface to look at the underlying issues which the country faces regardless of its political future After looking back to essay the historical forces and human agencies which have shaped contemporary Myanmar the volume addresses health care and public policy provision with suggestions as to what potential roles the international community might have in assisting Myanmar's future socioeconomic development Myanmar Beyond Politics to Societal Imperatives broadens the debate on this state of more than 50 million people beyond the usual narrow didactics about democratization and economic policies **ASEAN's Myanmar Crisis** Christopher Roberts, 2010 In line with recent reviews of policy by Aung San Suu Kyi and the U S Government ASEAN's Myanmar Crisis Challenges to the Pursuit of a Security Community provides a clear and innovative analysis of why it is necessary to reassess regional and international approaches to Myanmar For the first time this book also reveals the full extent to which Myanmar has challenged the solidarity and development of ASEAN itself This is a must read for anyone interested in either Myanmar or the future In line with recent reviews of policy by Aung San Suu Kyi and the U S Government ASEAN's Myanmar Cr **The Language**

Difference Paulin G. Djité, 2011-01-06 Language is a sensitive issue in the developing world because language choice and behaviour are integral to the social economic and political stability of multicultural societies To what extent does this argument hold Does language make a difference when it comes to development and is there a perceptible difference in development between countries that is attributable to their choice of language This book sets out to answer these questions by investigating how language has been and is being used in four countries of the Greater Mekong Sub region i e Cambodia the Lao PDR Myanmar and Viet Nam especially in the critical areas of education health the economy and governance

Disaster Relief in the Asia Pacific Minako Sakai, Edwin Jurriëns, Jian Zhang, Alec Thornton, 2014-01-03 A UN report recently found that the Asia Pacific is the world's most disaster prone region Indeed considering that the region accounts for more than half of the total number of disasters in the world building capacity and resilience to mitigate the devastating impact of disasters is a pressing task for local actors This book takes a regional multidisciplinary and multi actor approach to improve understandings of how various actors respond to natural and human induced disasters in the Asia Pacific region It examines the ideas and activities of four different categories of agents civil society military and state institutions local cultural knowledge and the media and economic initiatives and these themes are approached from various academic disciplines ranging from anthropology and cultural studies to economics human geography and political science The contributors draw their findings from a variety of countries in the region including China Fiji India Indonesia Japan Myanmar and Samoa and importantly focus on the interconnection between vulnerability and resilience In turn the book highlights how the nature and magnitude of disasters are influenced by social conditions and aims to contribute to policies that prioritize

development opportunities to enhance resilience Further it explores the complicated and multifaceted role of agency in building resilience and presents a comparative framework for analysis and key findings from the Asia Pacific region The focus of this book on recent and ongoing disasters makes it a topical and timely contribution to the growing field of disaster management and as such it will appeal to students and scholars of environmental studies development studies and Asian politics

Pedersen,2008 Since 1988 when Burma s military rulers crushed a popular uprising Western governments have promoted democracy as a panacea for the country s manifold development problems from ethnic conflict to weak governance human rights abuses and deep rooted structural poverty Years of escalating censure and sanctions however have left the military firmly entrenched in power the opposition marginalized and the general population suffering from deepening poverty In the first book length study of Western human rights policy in Burma Morten B Pedersen argues that Western democracy rhetoric has not supplied the solution to these problems Each year Burma s human and natural resources are further eroding the HIV AIDS epidemic is mounting and the prospect of turning the situation around is becoming less and less likely Based on extensive field research *Promoting Human Rights in Burma* proposes an alternative model of critical engagement that emphasizes more pragmatic efforts to help bring a deeply divided society together and promote socioeconomic development as the basis for longer term political change Although the focus is squarely on Burma the fallacies in Western policy thinking

that this case study reveals as well as the alternative policy framework it offers have wider relevance for other poor conflict ridden countries on the periphery of the global political and economic system **The Impact of ASEAN Enlargement on Economic Integration** Sarinna Areethamsirikul,2008 Strategies for Democratic Change Richard Youngs,2006

Turmoil in Burma David I. Steinberg,2006 Few states in the contemporary world present the complexities that characterize Burma Myanmar at present On the one hand it has been under military rule for some forty four years at this point with many traditional factors in operation an high degree of authoritarianism the dominance of personalization over institutions powerful centrism but with a progressive weakening as the distance from the center lengthens and the importance of religion as a source of identity Those who govern Myanmar have given ample indication in recent times of a desire to interact with diverse international bilateral and multilateral operations Yet Burma Myanmar nationalism has contained a xenophobic quality emphasized on occasion a proclivity that is more conducive to isolation than to cooperation In this context the movement of the capitol from Rangoon to Pyinmana in the interior while proclaimed as a move to provide easier access to all parts of Myanmar raises questions Moreover as was demonstrated recently in the face of strong opposition Myanmar was prepared to give up its scheduled chairmanship of ASEAN rather than to change its domestic political policies Under the circumstances it is fortunate to have a highly regarded scholar who has spent many years undertaking in depth studies of Burma Myanmar as well as other parts of East Asia with a history of friendships and research in the region provide us with an up to date analysis David Steinberg presents a broad picture of the complex scene commencing with a presentation of key theoretical and historical considerations and proceeding to an analysis of various specifics relating to the current Burma Myanmar society and state His analysis is comprehensive and balanced taking into account the many complexities and uncertainties of this troubled state We are indeed fortunate to have this work available from the Foreword by Robert A Scalapino *State of Strife* Martin Smith,2007 Since independence in 1948 Burma has been the scene of some of the most sustained and diverse ethnic insurgencies in the contemporary world This study examines the dynamics of conflict that have caused internal wars to become so uniquely entrenched in one of Asia s most troubled lands Against a backdrop of conflict different nationality movements have been able to adapt and survive utilizing the changing political economic and international conditions in the country In the process armed opposition became a way of life in the borderlands while the central state became increasingly militarized Burma s conflicts however have not been static This study identifies five major cycles of conflict that have seen the national government transform from a parliamentary democracy at independence through Gen Ne Win s Burmese Way to Socialism to the current military State Peace and Development Council As the political impasse continues ethnic ceasefires and open door economic policies are changing the structures of conflict In an overview of humanitarian and international dilemmas the study concludes that conflict resolution with integrated support from the international community remains a primary need if Burma and its peoples are to achieve
