Brad Steiger invites you to join him as he explores the many dark and nightmarish pathways leading to this shadowy world of spirits and hauntings. *Real Ghosts: Restless Spirits and Haunted Places* is the defining work on spirit phenomena. It is a comprehensive classification of the spirit world touching on every possibility from time travel to parallel universes, presenting the full range of ghostly manifestations and haunted locations. A major work sure to be heralded by paranormal enthusiasts whatever their corporeal state. Do you know the difference between poltergeists and spirits of the dead? The differences between spirit residue, spirit parasites, and spirit masqueraders. With its 30 topical chapters, *Real Ghosts* covers those differences and many more: Spirits Seen at Death Beds and Funerals; Haunted Churches, Cemeteries, and Burial Grounds; Phantoms on Roads and Highways; Battlefields Where Phantom Armies Eternally Wage War; Speaking to Spirits; The Mystery of Mediumship; Animal Ghosts; Domesticated and Wild Spirit Parasites; That Possessed Apparitions of Religious Figures; Haunted Hotels, Motels, and Inns. Did you know that ghosts still haunt Ohio's State Reformatory, otherwise known as Shawshank? Or that the Hollywood Roosevelt Hotel is home to some of the most famous ghosts in the world? With *Real Ghosts*, you'll discover that Abe Lincoln regularly consulted spooks and mediums; Rudolph Valentino haunts his old mansion; and the ghosts of Anne Boleyn, Henry VIII, Katharine Howard, Jane Seymour, Elizabeth I, and King George III all still haunt some of England's most famous castles. You'll also learn how to perform a cleansing ritual to rid your home of unwanted spectral visitors. More than a collection of true ghost stories, this book plunges you square into the middle of the eerie action with captivating stories that would be at home at any midnight campfire. The only difference is these stories aren't urban legends employing hooks, needles, or long metal fingernails for their scare. These stories exist outside of the mind and live right next door to every one of us. *Real Ghosts* shouldn't be read when you are home alone and the lights begin to flicker.

Just Dreaming Joe Amico, 2013-01-02 Is the American Dream real? Do we have a right to it or is it just suggestion? Where did it come from? Joseph Amico, the son of Sicilian immigrants, provides the answers to these key questions in this essay on American history and politics. More importantly, he explains why the dream is in jeopardy and how it can be saved. Raised a Catholic, Amico became a skeptic of politics and government after the assassination of President John F. Kennedy. Later, when Martin Luther King Jr. and Robert Kennedy were killed, he knew something was seriously wrong. With the war in Vietnam raging, he joined the antiwar and civil rights movements. Immersed in the politics of the day, he saw only one answer to the nation's problems: social revolution. Now looking both at the history and present state of the US, Amico explores what is needed for the nation to move forward—to find a better way of doing things. Our political forefathers promoted radical principles that helped the United States and its people prosper. While we can still move in that direction, it won't happen by listening to radio and television pundits who distort the views of our forefathers. We must revisit the principles that our country was founded on and let what we know to be the truth become reality. Amico, an ordinary citizen, seeks to shed some light on this complex subject so that we, the people, can claim what's rightfully ours instead of just dreaming.
