*Zelma, the Mystic* Alwyn M. Thurber,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1897 edition Excerpt CHAPTER XVII A MESSAGE OF SORROW SHE WILL LIVE It Might have been a week later and during the morning hour of meditation in the Temple of Silence that the attention of each member present was arrested by a summons from without This as Zelma afterward remarked was the first time the vibratory effects of the disk at the door had ever reached the Temple proper Just previous to this some remarkable changes had been taking place in the crystal discernible to all First there had appeared a peculiar shadow resembling pale moonlight This covered the entire globe In the midst of this there appeared what might be described as a steady but soundless waterfall having blue green tints and above this hung two weeping willows Rightly interpreted the scene was suggestive of sadness so that when the summons fell upon the silence it conveyed a somewhat sombre message to those who listened It was yet early in the day and no visitor was expected hence the summons seemed all the more significant It was not long before the exercises were completed and Zelma as soon as he had changed his apparel went below The caller was none other than Mr Gilbert The gentleman's features gave tokens of some deep sorrow and observing this Zelma led the way quietly to the east room where he closed the door from all intrusion With no formality whatever Mr Gilbert sank into a chair like a man bereft of all physical and mental endurance Zelma forewarned as he had been strove to maintain an attitude of peace and tranquillity His first words were lowly spoken and fraught with purest spiritual accents And another link in the chain is being forged and the heart of him who loveth is troubled as it would seem beyond repair he said very slowly *The Mystic Mullah* Lester Dent,2018-04-15 It was an ageless thing that had existed since the beginning of time a monstrous green face that spoke sudden death With its legions of ghostly nebulous soul slaves it had begun to terrorize the world Even Doc Savage and his fantastic five were helpless against its awesome power until **Zelma, the Mystic** Alwyn M. Thurber,2017-12-24 Excerpt from Zelma the Mystic Or White Magic Versus Black When occult truths shall be more commonly applied to public affairs the pathways of both legislator and teacher will be less devious and thorny I have aimed to make this plain as well as to impress upon the inventive mind the necessity of cultivating the inner or spiritual insight as a means to success I have also desired to have the book mechanically and artistically correct

The full page illustrations have been procured at a large expense and I trust they will be looked upon with pleasure and profit Too much credit cannot be given the artists who have joined their interests with mine to make the venture a success In this connection I have deemed it wise to employ only the best of talent even though the number of plates should be less With these few explanatory words I herewith submit my offering to a critical public for better or worse and cheerfully abide the verdict that shall follow A M T About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
