Challenges of Established Companies in Business Model Innovation Michael Lang,2020-03-16 Research Paper postgraduate from the year 2020 in the subject Business economics Business Management Corporate Governance grade 1 0 Mendel University Economics language English abstract The goal of this paper is to outline the main challenges of established companies in the field of business model innovation By conducting an empirical analysis through 30 expert interviews insights are generated in the field of dealing with disruptive innovation dominant mindset and business model

innovation At first the focus of the research is to identify the main levers for enabling disruptive innovation through the eyes of established companies Secondly a special focus of the interviews is to identify how an established organizational mindset affects the organizations behavior towards disruption Finally the main difficulties of established organizations regarding business model innovation is outlined According to the research goal the main insight regarding disruptive innovation is that 25 percent of the experts point out that they are lacking a supportive environment for dealing with disruptive innovation in the correct way In the area of dominant logic over 50 percent are concerned how their large traditional and process heavy firms can overcome their dominant mindset in order to stay competitive Finally 60 percent highlighted in the area of business model innovation that business innovation projects with experimentation without a reporting structure is key The analysis of the expert interviews reveal that established companies are aware of disruptive trends however are not sure how to design the right environment for building the right capabilities Secondly it also highlights that the companies are aware of their dominant mindset as a key success factor for their business model innovation initiatives but do not know how to create cultural shift to overcome it Finally the research clearly demonstrates that the main challenges of established companies in business model innovation lays in the interlinkage between disruptive innovation dominant mindset and business model innovation itself which needs more attention by research in the future **Media** Shirley Biagi,2007 **Variety Deal Memo** ,2003 The global newsletter of theatrical and post theatrical rights and markets **Management Information Systems** James O'Brien,2010 Overview The benchmark text for the syllabus organized by technology a week on databases a week on networks a week on systems development etc taught from a managerial perspective O'Brien defines technology and then explains how companies use the technology to improve performance Real world cases finalize the explanation

Business World ,2006-05 **The World in ...** ,2005 **Streampunks** Robert Kyncl,Maany Peyvan,2017-09-05 An entertainment and tech insider YouTube's chief business officer delivers the first detailed account of the rise of YouTube the creative minds who have capitalized on it to become pop culture stars and how streaming video is revolutionizing the media world In the past ten years the internet video platform YouTube has changed media and entertainment as profoundly as the invention of film radio and television did more than six decades earlier Streampunks is a firsthand account of this upstart company examining how it evolved and where it will take us next Sharing behind the scenes stories of YouTube's most influential stars Streampunks like Tyler Oakley Lilly Singh and Casey Neistat and the dealmakers brokering the future of entertainment like Scooter Braun and Shane Smith Robert Kyncl uses his experiences at three of the most innovative media companies HBO Netflix and YouTube to tell the story of streaming video and this modern pop culture juggernaut Collaborating with Google speechwriter Maany Peyvan Kyncl explains how the new rules of entertainment are being written and how and why the media landscape is radically changing while giving aspiring Streampunks some necessary advice to launch their own new media careers Kyncl persuasively argues that despite concerns about technology impoverishing artists

or undermining artistic quality the new media revolution is actually fueling a creative boom and leading to more compelling diverse and immersive content Enlightening surprising and thoroughly entertaining Streampunks is a revelatory ride through the new media rebellion that is reshaping our world **Screen Digest** ,2006 **F&S Index United States Annual** ,1999
