A Dynamic Industry Equilibrium Approach* Gerasimos Lianos, Igor Sloev, Roudaina Houjeir, 2022 We study best marketing strategies under conditions of macroeconomic and industrial distress We set up a model of a dynamic industry in which firms compete over customers with aggressive and defensive marketing decisions We consider scenarios that simulate

our current economic state and expectations for the future We examine 1 a decrease in the profitability of the customer base 2 an increase in the cost of capital for the firm 3 a decrease in the size of the market 4 exit of firms from the industry We find that in all scenarios 1 marketing budgets get slashed 2 marketing policies become more aggressive 3 firms become larger 4 customer lifetime value per customer per new customer and total customer lifetime value decrease Implementing Marketing Strategies Harvard Business Review, Harvard College, 1981 *Marketing, Concepts and Strategy* Martin L. Bell, 1979 An Economic Theory of Business Strategy Scott J. Moss, 1981 **Marketing Decisions Under Uncertainty** Dung Nguyen, 2012-12-06 Remarkable advance in quantitative marketing research in the last two decades incorporating applied microeconomic theories operations research and management applications has brought the field of marketing alongside with finance accounting and production to within an executive's reach for a sophisticated toolbox for decision making in an increasingly competitive and complex business environment A quick look at Marketing a recently published book edited by Eliashberg and Lilien would indicate even to the casual reader the extent of such methodological progress made by marketing scholars Even in such an impressive and nearly exhaustive collection of topics with the notable exception pointed out by the editors of applications of the scanner data and in spite of the reference to it an important omission is related to the issues of marketing decisions under conditions of uncertainty It is fairly obvious to the marketing executive and academician alike to recognize the important role uncertainty plays in marketing decisions such as pricing promotion advertising sales force management and others The major purpose of this study is to address certain major marketing decision variables within the general context of an uncertain environment While there have been significant progresses in analyzing marketing behaviors in a stochastic environment the sources scatter among different management and marketing journals and to the extent that these issues are addressed at all they have aimed mainly at each separate specific topic at a time Thus our effort to bring these studies together in the same framework should facilitate our in depth analysis of these important phenomena **Flexibility Versus Commitment in Strategic Trade Policy Under Uncertainty** Aldo Rustichini, Amiya K.
