

Challenges

Challenges faced by Acme Corporation before implementing the new advertising strategy

- 1 Market Saturation**

Acme Corporation encountered the challenge of penetrating a saturated market where competitors had already established a strong foothold. This required careful planning and differentiation to effectively capture the attention of target customers.
- 2 Lack of Brand Awareness:**

Another key challenge was the limited brand recognition of Acme Corporation among the target audience. This necessitated the creation of an advertising strategy that not only raised awareness but also highlighted the unique value proposition of the company's products and services.
- 3 Limited Budget**

Acme Corporation faced a constraint regarding their advertising budget, which necessitated the need for cost-effective strategies to maximize the impact of their campaigns. Prioritization and targeted allocation of resources became imperative to achieve optimal results.
