Marmalade William Benton, 1997 *Marmalade* William Benton, Stéphane Mallarmé, 1983 *Shy of the Squirrel's Foot* Andy Martrich, 2024-11-12 The Jargon Society a boundary pushing publisher of poetry and experimental writing was founded by Jonathan Williams 1929 2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted midcentury poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon's ethos of literary experimentation by focusing on the books the Society cataloged but never published While it's not uncommon for a small press to plan for books that don't make it to publication Martrich argues that Jargon's incessant financial difficulties coupled with Williams's impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel's Foot* includes an epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon's complete annotated bibliography which details every book the press published compiled in one place for the first time *American Book Publishing Record*, 1998 **Cumulative Book Index**, 1998 A world list of books in the English language *Annual Bibliography of Modern Art* Museum of Modern Art (New York, N.Y.). Library, 1998 *Marmalade* William Benton, 2025-02-03 From the perspectives of an accomplished contemporary artist and poet William Benton's MARMALADE takes the words of the French poet Mallarmé note pun into an American idiom that both explodes and tightens poetic mysteries and mischief Some 50 years from its first publication complemented with the original watercolors of James McGarrill this classic of autonomic and visionary translation remains testament to our human and faunean imagination unbridled As the poet Guy Davenport writes in his introduction And if one dreamed and was too feral to sort dream from flesh and took up a flute and began to see how dream and reality are flower and leaf on the one stem and a French poet Mallarmé in a plaid shawl who loved old gardens and mirrors and Greek poetry wrote what he thought the faun thought and an American poet Benton has a bright impulse to speak for Mallarmé speaking for the faun Turn the page and read on
