Marriage Domestic Life And Social Change Writings For Jacqueline Burgoyne 1944 1988:

Marriage, Domestic Life, and Social Change David Clark, 1991 *Marriage Domestic Life and Social Change* brings together leading writers on marriage and the family in a tribute to the life and work of Jacqueline Burgoyne a major figure in family studies

Understanding Post-War British Society Peter Catterall, James Obelkevich, 2002-11-01 Too many sociology textbooks begin and end with how society is structured To understand how society operates it is necessary to explore not only its constituent structures and relationships but how these structures emerge and why changes occur within them By bringing together a group of distinguished sociologists and social historians this book critically appraises the usefulness of current theories in advancing our understanding of contemporary society It explores British society as dynamic and developing In the process the authors draw our attention to the fact that society is shaped not just by social policy and structures but by how far these influence people's life patterns attitudes experience and conduct Celia Brackenridge Cheltenham Gloucester College of Higher Education Joan C Brown Robert G Burgess University of Warwick Rosemary Crompton University of Kent John Curtice University of Str

Family Secrets Deborah Cohen, 2013-03-27 We live today in a culture of full disclosure where tell all memoirs top the best seller lists transparency is lauded and privacy seems imperiled But how did we get here Exploring scores of previously sealed records *Family Secrets* offers a sweeping account of how shame and the relationship between secrecy and openness has changed over the last two centuries in Britain Deborah Cohen uses detailed sketches of individual families as the basis for comparing different sorts of social stigma She takes readers inside an Edinburgh town house where a genteel maiden frets with her brother over their niece's downy upper lip a darkening shadow that might betray the girl's Eurasian heritage to a Liverpool railway platform where a heartbroken mother hands over her eight year old illegitimate son for adoption to a town in the Cotswolds where a queer vicar brings to his bank vault a diary sewed up in calico wrapped in parchment that chronicles his sexual longings Cohen explores what families in the past chose to keep secret and why She excavates the tangled history of privacy and secrecy to explain why privacy is now viewed as a hallowed right while secrets are condemned as destructive In delving into the dynamics of shame and guilt *Family Secrets* explores the part that families so often regarded as the agents of repression have played in the transformation of social mores from the Victorian era to the present day Written with compassion and keen insight this is a bold new argument about the sea changes that took place behind closed doors

Body Matters Sue Scott, David Morgan, 2004-08-02 Focusing on the sociological embodiment of various social actors the authors consider the subsequent links with the constraints of daily life i.e. the male body female therapists body builders marital and sexual counsellors sex workers They present recent or new research findings on aspects of the body variants from what is conventionally seen as natural and consider and question aspects of self image versus society's expectations A number of developments in discussions of the body on such topics as feminist thought the study of health and illness and cultural theory are presented as

a series of essays which demonstrate the variety of interests mentioned The book is aimed at undergraduates postgraduates students and lecturers in sociology cultural studies women s and gender studies **The End of Marriage?** Jane E. Lewis,2001 This text tackles one of the most fraught and contested issues of our time the contemporary meanings of marriage The author argues that separation of marriage and sex is now being followed by the separation of marriage and parenthood **When Strangers Marry** Albert McDonnell,1999 This study of eighty marriages that ended in separation looks at the couples childhood courtship their married life their unhappiness leading to separation and their lives after they had separated By finding common elements in the experience of **The Canadian Historical Review** ,1997 **Families in Society** Linda McKie,Sarah Cunningham-Burley,Jo Campling,2005 Acknowledging the increasing diversity and complexity of families this innovative book proposes a new conceptual framework for understanding families and other relationships that both challenges and attempts to reconcile traditional and contemporary approaches Using the notion of boundaries the book shifts thinking from families as entities to families as relationship processes Emphasising the processes that underlie boundary construction and reconstruction suggests that the key to understanding family life is the process of relationship formation The ideas of entity boundary margins and hybridity provide a framework for understanding the diverse and often contradictory ways in which families contribute to society Families in society makes a significant contribution to the academic literature on families and is essential reading for social science students social researchers policy makers and practitioners interested in families and relationships **Gender and Later Life** Sara Arber,Jay Ginn,1991 Focusing on three key resources which influence the level of the independence of elderly people finance health and domestic situation this study examines gender divisions and inequalities in later life It shows how these resources interact to determine levels of dependence or independence **With this Body** Gillian Parker,1993 Surveys the views of young people who have become disabled after marrying and of their partners regarding care within the marriage Finds that a lack of formal resources in the society at large results in dependence on informal care and that age class gender and power relations within the marriage affect the experience of disability and the degree to which independence from a partner s care is desirable Distributed by Taylor and Francis Annotation copyright by Book News Inc Portland OR **Sociological Abstracts** ,1993 **Sociology** ,1999 **Gender, Family and Society** Faith Robertson Elliot,Jo Campling,1996 Contemporary struggles over the ordering of sexual and parental relationships take place in the context of recession and mass unemployment ethnic differentiation and antagonism population ageing and the discovery of ageism a growing awareness of the pervasiveness of violence and sexual abuse in intimate relationships and the eruption of AIDS as a major health crisis Gender Family and Society seeks to provide a sociological understanding of the way in which these key aspects of contemporary social life shape and are shaped by gender and family structures *Shakespeare Quarterly* ,1996 Provides image and full text online access to back issues Consult the online table of contents for specific holdings **Hitotsubashi Journal of Social Studies** ,1997

Shakespearean Criticism Michele Lee, 1999-06 The plays theme or focus of this volume includes Clowns and Fools As You Like It King Lear Twelfth Night *The Myth of Decline* George Lurcy Bernstein, 2004 This history of Britain since 1945 confronts two themes that have dominated British consciousness during the post war era the myth of decline and the pervasiveness of American influence The political narrative is about the struggle to maintain a power that was illusory and from 1960 on to reverse an economic decline that was nearly as illusory The British economy had its problems which are fully analyzed however they were counterbalanced by an unparalleled prosperity At the same time there was a social and cultural revolution which resulted in a more exciting dynamic society While there was much American influence there was no Americanization American influences were incorporated with many others into a new and less stodgy British culture Contrary to conventional wisdom this groundbreaking book finds that the story of Britain since the war is marked not by decline but by progress on almost all fronts *What Difference Did the War Make?* Brian Brivati, Harriet Jones, 1993 **Sociological Abstracts** Leo P. Chall, 1997 Books in Print , 1991
