Marriage Plus:

From Athens to America Lewis D. Solomon, 2007-10-01 From Athens to America calls for the reversal of the withdrawal of the character forming function from the political domain arguing for public sector_federal state and local_involvement in character formation Solomon focuses on four specific virtues to serve as a guide to public policy formation self esteem joy and optimism equanimity and personal responsibility He calls for the public sector to move beyond the efforts of families faith communities and civic organizations and take a vital role in fostering character development and promoting these virtues Combining political science with philosophy the Judeo Christian tradition and medical research this book illustrates how we formulate public policies that enable people to grow and develop into healthy humans what each of us is fully capable of becoming

The Structure of Argument Annette T. Rottenberg, Donna Haisty Winchell, 2011-08-03 The Structure of Argument covers critical thinking reading writing and research It is concise but thorough and presents everything students need in an affordable compact format The Structure of Argument includes questions exercises and writing assignments and a full semester's worth of readings Now presenting Aristotelian and Rogerian as well as Toulmin argument it includes many fresh readings and additional support for academic writing to help students stake their claim Its emphasis on Toulmin argument makes Structure highly teachable since the approach fits with the goals of the composition course An electronic edition is available at half the price of the print book

CALVINISM REVISITED David A Swincer, 2020-04-05 In seeking to promote and support the Calvinist position Benjamin Warfield sought to champion the cause by making some rather extravagant statements He who believes in God without reserve and is determined free will that God shall be God to him in all his thinking feeling willing in the entire compass of his life activities intellectual moral spiritual throughout all his individual social religious relations is by the force of that strictest of all logic which presides over the outworking of principles into thought and life by the very necessity of the case a Calvinist This can only be described as a ridiculously elitist statement To believe in God in the terms described does not even remotely require a person to be a Calvinist Likewise the following quote from Warfield is equally elitist in the extreme Religion sic in its substance is a sense of absolute dependence on God and reaches the height of its conception only when this sense of absolute dependence is complete and all pervasive in the thought and feeling and life But when this stage is reached we have just Calvinism Sadly this statement is arrogant nonsense Is this position absolute dependence on God etc not true of EVERY Christian It is this arrogant approach that raises a serious concern of an elite theology above the Scriptures Such statements demand that a corrective be given and hence this book

Elements of Argument Annette T. Rottenberg, Donna Haisty Winchell, 2011-08-03 Elements of Argument combines a thorough argument text on critical thinking reading writing and research with an extensive reader on both current and timeless controversial issues It presents everything students need to analyze research and write arguments Elements of Argument covers Toulmin Aristotelian and Rogerian models of argument and has been thoroughly updated with

current selections students will want to read It now includes additional support for academic writing making it a truly flexible classroom resource An electronic edition is available at half the price of the print book Read the preface

Building an Opportunity Society Lewis D. Solomon, 2014-09-04 Twenty first century US policymakers face a great challenge How can federal government help more people achieve the American dream Specifically how can we provide greater opportunities for less prosperous individuals enabling them to succeed through hard work on their merits and take increased responsibility for their lives Lewis D Solomon sees this as the challenge of our time He seeks to thread the fine public policy needle between social democratic efforts to perfect the world and those who negatively view public sector programs Based on the premise that capitalism is not inherently unjust and defective and American capitalism's structural features do not inexorably thwart opportunity Building an Opportunity Society offers the possibility of more limited carefully structured cost effective empirically verified federal policies and programs Solomon first provides the background and context of many existing domestic challenges and problems that the current and proposed federal policies and programs seek to address He then analyzes the federal safety net that keeps Americans from poverty and helps reduce income inequality Finally he presents a lifecycle analysis of current federal policies and programs preventive and remedial designed as part of the Entitlement State but if restructured could facilitate the building of an Opportunity Society Solomon challenges policymakers to take a fresh look at how best to achieve society's goals for all citizens

PRAYER: PREMISED ON WORSHIP David A Swincer, 2019-10-25 Unless God is worshipped for His Own sake we are reduced to idolatry Segler in his book Christian Worship says God must be worshipped for His Own glory or it is idolatry however relatively worthy its motivation Segler 1967 12 emphasis added Again we emphasise the pivotal focus on God alone He alone is worthy of worship The English word worship is derived from the Old English word weorthscipe worth and ship worthship meaning worship one worthy of reverence and honour It is honour shown to an object Worship Wikipedia When we worship we declare God's worth The 24 elders proclaimed You are worthy our LORD and God to receive glory and honour and power for you created all things and by your will they were created and have their being Revelation 4 11 emphasis added The angels sang Worthy is the Lamb who was slain to receive power and wealth and wisdom and strength and honour and glory and praise The four living creatures said Amen and the elders fell down and worshipped Revelation 5 12 14 emphases added You have taken a 4 wheel drive trip into the outback You couldn't be more remote The horizon is a blur in the far distance There is no town for miles You are out of range for any mobile phone coverage There is no passing traffic And the old jalopy has packed it in What do you do For too many people it is an occasion of venting their spleen cursing loud and long blaming anyone and everyone etc and kicking the wheel The answer is very simple for the Christian You worship And don't argue that there is no pipe organ or choir or anything that is usually related to worship Now it is time to truly worship and it is all and only to do with God You might start with a devotional statement a
