Pastoral how to deal with sensitive issues such as divorce and family differences **Marriage Is Ministry** Ebony Nard,James Nard,2020-07-10 Today my wife and I celebrated 12 years of marriage Over dinner we talked about the journey the Lord has taken us on together what we enjoy about each other and how our marriage has made each of us better Our marriage is not perfect it is healthy and I am so grateful for Ebony and the time we have been given to enjoy each other and serve alongside one another I don't want only to be a great Christian or a great pastor but I long to be a great husband As we talked I contemplated what we have been through and how we need to live by example and share our story with other married couples I long to be a great wife but I also want to help other women become great wives As my husband said we aren't perfect but we strive to get better We strive to serve and love each other Marriage is a sacred connection between a man and a woman It is taking two different people with two different lives and bringing them together This book shares what my husband and I have done to have a thriving marriage People see where we are but they don't know how we got here Every couple has issues and I just want to share some of ours in hopes of reconciling marriages equipping couples with what worked for us

and helping others before they enter into marriage Whether you are single engaged or married we want to share our experiences with you Real Transparent And provide you with the steps we used to make sure that our marriage aligns with how God created it At the beginning of the marriage mostly considered the honeymoon phase everyone is eager and excited There are butterflies and affection But what happens after you say I do What do you do when life happens After the honeymoon most couples rush back to their lives and things can get overwhelming It s not easy to make priority every single day but aside from God husbands and wives must sacrifice and surrender to become one We had come to realize that when God brought us together we were two very broken people God used our mess and brought us together in our marriage We still fall short but we want to help other couples Our heart and vision for this book are that you can learn and glean from our mistakes It s not a tell all type of book We share pivotal moments of our life and marriage that brought us to where we are today We have also shared things that can help restore or reconcile marriages God s grace has restored us even in our brokenness and darkest hour and we desire the same for you **Marriage Vs Ministry** Jessica Rosado-pagan,2017-05-31 I thought all the hell I been through was over because I found Christ Little did I know that now is when the devil is going to work the hardest to get me to serve him again In my previous book I shared my testimony and I let you in to who I was I talked about deliverance and where God took me from Now I have to tell you how I fought to stay married while in ministry Yes I was freed from a lot of demonic oppression but I found myself reaching new levels in God and marriage which came with you know it new devils
