## **Marrying For Money:**

Don't Marry for Money Or Looks Kay Rose Nachilima,2015-01-18 True love is priceless and any woman looking for true lasting love should never be careless when it comes to marriage Always ask yourself this question Is money and good looks worth being UNHAPPY in a relationship Think about it This is your life marrying for money or looks is plain wrong If Prince Charming or Mr Rich man isn t right for you then you are better off with average Joe Treat yourself like Precious Jewels Don t settle for nothing less than True Love I guess Nothing else needs to be said I have said it all But let me say this Till death do us Part should mean exactly that Marriage is serious business It is completely different from a relationship A marriage is a union an institution When you get married everything changes you become one Sometimes you have to walk away from people not because you don t care but because THEY DON T When someone hurts you time and time again accept the fact that they don t care about you No matter how much money they have or how good they look It s a tough pill to swallow but it s necessary medicine Staying with someone simply for what they look like on the outside is like choosing your favorite food based on color instead of taste It makes no sense You can t chew on hot peppers all day long because red is your favorite color Be good to yourself

**How to Marry Money** Susan Wright,1995    *Marriage, Money and Divorce in Medieval Islamic Society* Yossef Rapoport,2005-04-21 High rates of divorce often taken to be a modern and western phenomenon were also typical of medieval Islamic societies By pitting these high rates of divorce against the Islamic ideal of marriage Yossef Rapoport radically challenges usual assumptions about the legal inferiority of Muslim women and their economic dependence on men He argues that marriages in late medieval Cairo Damascus and Jerusalem had little in common with the patriarchal models advocated by jurists and moralists The transmission of dowries women's access to waged labour and the strict separation of property between spouses made divorce easy and normative initiated by wives as often as by their husbands This carefully researched work of social history is interwoven with intimate accounts of individual medieval lives making for a truly compelling read It will be of interest to scholars of all disciplines concerned with the history of women and gender in Islam

**"Marry for Money, You'll Learn to Love Later!"** Roger J. Geronimo,2006-05-25 This is the incredibly interesting story which describes the unbelievable mistakes we make in life how we cope with them into the future and what are the lessons learned from this thing called life The story is mixed with a sense of sarcastic humor but always stressing the benefits of humor It is also a story of hope and encouragement as the author fights a battle that his dad his hero lost to Parkinson's disease Heres the Forward What is life really all about Why are we here Is there any purpose to our existence These are questions that have been asked over and over again for centuries and centuries Well I believe I have found the answer now that I am totally broke and deteriorating thanks to Parkinsons disease Gee thanks guys The sarcastic sense of humor in me concludes the following about our existence here on planet earth LIFE IS A BITCH THAN YOU MARRY ONE TWO IN MY

CASE AND THEN YOU DIE Guess Im just waiting for the arrival of the Grim Reaper himself However the real me has slowly discovered that we are all on a journey here on earth The journey is intended not to be an easy one It is intended for us to learn from the decisions we make using our free will There is much pain suffering disappointment hurt anger and sorrow And hopefully forgiveness There is no hell I believe You are living it everyday the good and the bad A lot more bad than good What is it all for It is for all of us to learn and to grow as human creatures and to eventually flourish in a place where we will discover peace love harmony Where In the hereafter In that warmth of the Light we hear so much about from people returning from the dead In my mind that Light is better known as God That is our eventual reward for everything that is tossed our way here on earth If we learn our lessons well here than we shall be that much closer to the warmth of the Light in the hereafter If we learn little and cause much pain and anguish to others than we shall be the farthest from the Light but always given opportunities to proceed forward We do this by realizing our indiscretions and asking for forgiveness for our actions on earth when arriving in the hereafter and then performing duties and working toward the Light Boy do I hope I am right about this Believe it or not I actually look forward to being greeted someday by my loved ones and all the pets in the hereafter I got along better with my pets than with some of my crazy relatives and friends So in the chapters that follow I will allow you to make your own judgments As you read on and we share the good times and the pitiful times always with a sense of humor I hope I will honestly try to elaborate on the Lessons Learned from this journey that has been all too short Perhaps through me you can make adjustments and just perhaps not do the same stupid things that I have done so many times in the last half century

**How to Marry Super Rich** Sheilah Graham,1974      **The Marry Money Mindset: Limiting Beliefs**

**You Should Overcome to Marry Someone of High Value** Udochukwu Okeke,2018-10-07 The author of this book is a blogger for www.marrymoneyplan.com She focuses on the topic of marrying rich both on the blog and in this book in order to do some damage control on this issue It seems women who choose to marry men of a higher social class are getting more and more negative attention as seen in songs like Kanye West's Gold digger and the vilification of the late Anna Nicole Smith Increasingly women are being painted in a dim light for doing what was considered to be normal if not necessary for thousands of years By the end of this book the author hopes that men who may be reading this book and had mixed feelings about a woman's intentions to marry him due to his financial status will have their minds opened to the truth of the scenario She also hopes that women who have an interest in men of a higher social class will develop confidence to pursue ANY man that captures their interest regardless of social class and men the same towards women She attempts to encourage society as a whole to return to embracing the real reasons for marriage and release fairy tale ideas that work better on television than they do in the real world Finally she promotes the enlightenment of all people towards love for their fellow human
