**Martin Guitars** Richard Johnston,Dick Boak,2008 A Martin acoustic guitar is the beloved instrument of millions of fans and famous players worldwide Starting with the early days in New York circa 1833 this fabled story comes to life in the long awaited revision of the seminal Martin History book Originally published in 1975 this new edition is completely updated and re designed by well known industry experts Part of a two book set The History Book 1 covers the people the places and the stories of an American icon Richly illustrated this bookcovers the story right up to the fifth generation president Chris Martin IV Because the original and revision authors had complete access to authorized archives this version is the most accurate and detailed reference on the topic Leading up to the re vitalization of the 1990s and the remarkable sustenance of its legacy hundreds of photographs and documents effectively show the people and the guitars that made the company famous Publisher information

**Martin Guitar Masterpieces** Dick Boak,2003 A fascinating look at more than 100 of the Martin Guitar Company s custom guitars created for the world s most famous musicians including Sting Eric Clapton and Elvis along with the inside stories behind each design From the infamous Elvi guitar owned by Elvis Presley his original D 18 missing the s from his name to customized instruments belonging to Bob Dylan Willie Nelson Joan Baez Sting and Eric Clapton the Martin Guitar company has made a guitar for nearly every notable musician who s ever held a six string Now MARTIN GUITAR MASTERPIECES revisits more than 100 of the company s most desirable guitars ranging from those belonging to Stephen Stills David Crosby Paul Simon and Johnny Cash to guitars owned by newer artists like Beck Babyface and Jonny Lang Dick Boak head of Artist Relations and Publicity at C F Martin acts as the artist liaison in these collaborations and now for the first time enthusiastically outlines his experiences Readers also get a sneak preview of Martin s millionth instrument due in 2004

**Inventing the American Guitar** James Westbrook,Arian Sheets,Richard Johnston,2013-10-01 Inventing the American Guitar is the first book to describe the early history of American guitar design in detail It tells the story of how a European instrument was transformed into one with all of the design and construction features that define the iconic American flat top guitar This transformation happened within a mere 20 years a remarkably brief period The person who dominates this history is C F Martin Sr America s first major guitar maker and the

founder of the Martin Guitar Company which continues to produce outstanding flat top guitars today After emigrating from his native Saxony to New York in 1833 Martin quickly established a guitar making business producing instruments modeled after those of his mentor Johann Stauffer of Vienna By the time he moved his family and business to rural Pennsylvania in 1839 Martin had absorbed and integrated the influence of Spanish guitars he had seen and heard in New York In Pennsylvania he evolved further inventing a uniquely American guitar that was fully developed before the outbreak of the Civil War Inventing the American Guitar traces Martin's evolution as a craftsman and entrepreneur and explores the influences and experiments that led to his creation of the American guitar that is recognized and played around the world today To learn more about the history of the Martin guitar click here to view the video and article from BBC How Martin Guitars Became an American Stratavarius [Acoustic Guitar Design](#) Richard Mark French,2022-01-03 This book is for experienced luthiers and guitar designers in the industry novice builders wishing to improve their designs and guitar owners interested in knowing more about their instruments It includes the most important technical information gathered from many sources including the academic literature and the author's own work presented here in a clear actionable form with a minimum of mathematics The book begins with a historical survey on how important features of the acoustic guitar evolved over centuries The review leads up to a chapter focusing on three iconic instruments that represent the most important types of acoustic guitars classical steel string flat top and archtop As the guitar market is so strongly conditioned by familiar traditional instruments a successful builder must have a thorough working understanding of the most important designs to underpin their own work Through this volume Professor French lays out the entire design process and collects detailed information in one convenient source Luthiers quite often compile notebooks of measurements part numbers specific design features and other details they routinely need This book organizes much of that information with tables of dimensions material properties and other details in one essential final chapter The book also features concise side bar contributions by top guitar designers and builders including Tim Shaw Chief Engineer at Fender Music Bob Taylor Co Founder of Taylor Guitars and Andy Powers Master Guitar Designer and Partner [Guitar Identification](#) A. R. Duchossoir,2008-06 Book Covering eight more years of models and updated with new photos and industry revelations this handy book is an indispensable tool for novice and expert collectors to date instruments from the four most popular guitar manufacturers Good for either your own instruments or a guitar that you are considering buying this classic includes serial numbers and common features to help you date instruments quickly and accurately This new edition features a suggested reading list author bio and over 150 illustrations [Cool Wooden Box](#) W. Rand Smith,2023-05-08 This book is a history of guitar making in the US since the folk revival of the 1960s Based largely on the author's interviews it includes chapters on the rise of the modern independent luthier movement recent developments at Martin at Gibson and at Taylor especially regarding the use of technology and ways it is in tension with these companies traditions and ways it honors their traditions the changing though
