*Tennis Confidential* Paul Fein, 2003 In this outstanding collection of essays and interviews Paul Fein takes the reader into the world of the pro tennis tour with inside scoops about the game s greatest stars past and present Tennis Confidential includes interviews with such all time greats as Pete Sampras John McEnroe Arthur Ashe and Jimmy Connors along with essays about the careers of other stars like Andre Agassi the Williams sisters Jennifer Capriati and Anna Kournikova Fein also reviews the careers of pioneering players like Martina Navratilova Bjorn Borg and Rod Laver Tennis Confidential tackles the issues that confront the sport today from the media s fascination with teenage players on the women s tour to the changes in the game caused by new racket designs and tactical innovations Fein also reviews the ten greatest matches in tennis history He gives fans at every level a unique perspective on the game and its history      *Empowerment : the Competitive Edge in*

*Sports, Business & Life* Gene N. Landrum, 2006 In Empowerment The Competitive Edge in Sports Business Life high profile personality Dr Gene Landrum presents in a self help format the 13 winning behaviors modeled by the 13 greatest athletes of the modern era Landrum s research into the lives of the great entrepreneurs and athletes supported by a growing body of evidence suggests that eminence whether in business or sports derives not from genetic superiority but from winning behaviors and learned emotional dispositions With a delightful blend of gifted story telling and intellectual scholarship Dr Landrum has created a book that melds the recent discoveries in psychology and brain research with the dramatic performances of the world s greatest athletes Charismatic athletes such as Michael Jordan Lance Armstrong Martina Navratilova and Tiger Woods are analyzed in psycho biographical profiles that focus on the underlying motivations and behaviors of these preeminent personalities rather than on what they achieved In this respect and in its connection to the recent research in brain function and psychology Dr Landrum s work is unprecedented in the extant literature on athletes and athletic technique Amazon com      **Heroines of Sport** Jennifer Hargreaves, 2013-01-11 Heroines of Sport looks closely

at different groups of women whose stories have been excluded from previous accounts of women s sports and female heroism It focuses on five specific groups of women from different places in the world Black women in South Africa Muslim women from the Middle East Aboriginal women from Australia and Canada and lesbian and disabled women from different countries worldwide It also asks searching questions about colonialism and neo colonialism in the women s international

sport movement The particular groups of women featured in the book reflect the need to look at specific categories of difference relating to class culture disability ethnicity race religion and sexual orientation In her account Jennifer Hargreaves reveals how the participation of women in sport across the world is tied to their sense of difference and identity Based on original research each chapter includes material which relates to significant political and cultural developments Heroines of Sport will be invaluable reading for undergraduate and postgraduate students of sport sociology and will also be relevant for students working in women s studies and other specialized fields such as development studies or the politics of Aboriginality disability Islam race and sexuality
