Lindemann,2015-02-16 Theodor

Seuss Geisel known worldwide as the beloved children's author Dr Seuss produced a body of work that spans more than 70 years. Though most often associated with children's books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns (Quick, Henry, the Flit) and won Oscars and Emmys for motion picture productions, animated shorts and features. As founder and president of Beginner Books, his influence on children's book publishing was revolutionary, especially in the field of elementary readers. Geisel's prolific career, he wrote or contributed illustrations to more than 75 books, most of which have been reprinted, repeatedly and translated, worldwide and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations as they appear, reissue information and descriptions of the binding. The iconography links more than 900 fictional names, places and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit* (How the Grinch Stole Christmas) translated into Latin or hoping to identify abrasions, contusions, race cars in *If I Ran the Circus*, this work promises as much discovery as a walk down Mulberry Street.

California Court of Appeal (1st Appellate District). Records and Briefs California (State),, **There's a Wocket in My Pocket! and Marvin K. Mooney Will You Please Go Now!** Dr. Seuss, 1989-06 Relates the story about the small boy and the creatures he carries around in his pocket and Marvin is told to leave now

Day of Atonement Faye

Kellerman, 2011-01-25 Peter Decker of the LAPD never dreamed he'd be spending his honeymoon with his new wife, Rina Lazarus, in an Orthodox Jewish enclave in Brooklyn, New York, or that a terrible event would end it so abruptly. But a boy has vanished from the midst of this close-knit religious community, a troubled youth fleeing the tight bonds and strictures he felt were strangling him. The runaway, Noam, is not traveling alone. A killer has taken him under his wing to introduce Noam to a savage world of blood and terror. And now Decker must find them both somewhere in America before a psychopath ends the life of a confused and frightened youngster whose only sin was to want something more. Kellerman is splendid
