*Building a Market* Richard Harris, 2012-08-27 Each year North Americans spend as much money fixing up their homes as they do buying new ones. This obsession with improving our dwellings has given rise to a multibillion dollar industry that includes countless books, consumer magazines, a cable television network and thousands of home improvement stores. *Building a Market* charts the rise of the home improvement industry in the United States and Canada from the end of World War I into the late 1950s. Drawing on the insights of business, social and urban historians and making use of a wide range of documentary sources, Richard Harris shows how the middle class preference for home ownership first emerged in the 1920s and how manufacturers

retailers and the federal government combined to establish the massive home improvement market and a pervasive culture of Do It Yourself

**Migration, Community and Identity** Flossie Caerwynt, 2023-10-24 Migration Community and Identity analyses

experiences of migration to rural Wales from 1965 to 1980 It focuses on people who were part of the era's counterculture looking for an escape from mainstream society Using original interviews the book shows why people moved and how the move shaped their lives and identities Drawing together geographical and historical research this book explores the significance of this migration phenomenon It provides a unique insight into late twentieth century Welsh society and shines a new light on the counterculture itself Through analysing the experience of life in Wales and ongoing developments in the migrants sense of identity it argues that rather than being a uniform group the counterculture encompassed a diverse range of beliefs and aspirations The book will be suitable for upper level undergraduates and above The broad range of themes covered in this book is relevant not only to rural and historical geographers and migration researchers but also to those interested in sociology anthropology and the modern history of Britain and Wales The theories and concepts discussed have global appeal and will be of interest to those studying similar migration phenomena elsewhere **Whitaker's Book List**
