another level to another me Ive extended to you Theaology THE STUDY OF THEA Thea and the life experiences she has surrounded herself in along with the joys of living to learn what life really was about and not the just the pretty picture we all want and or pretend it is My painting of life is an explosion of time painted in yellows and reds Colors of laughter and smiles that are to abundant to count Colors that allow me to stand in the wings of life and spilling it out to you in expression thoughts and short stores of which will allow you to think twice about your life experiences and enjoy every single moment that god has extended to you Now what I am asking for from each one of you while reading my book is to enjoy my book with an open mind Dont tear it down too much but read what I have to say and live in the joy of my development of it Let me explain briefly some of the chapters in this book Chapter one is about loves hurts joys and change that we all can relate to In reading you will get a picture of what love and life is about a picture of the happiness the sadness the ups and downs and the just plan sick and tired of love My poetry will express this in every way I could imagine Poetry of love so deep you will need a shovel to recover from it because it pulls you in and makes you shake your head to say Ive been there In this chapter there is a poem written in the form of a short story called An Un produced Movie of Romance It is a screen play rewind yes thats how I am going to describe it Its the perfect story for the question where is this love going Chapter two well Ive devoted this to the men its my own unique message for them My way of saying you are spectacular even when we dont tell you you shine I speak in this chapter as if I am one of the boys Ive removed that I am woman hear me roar attitude and Ive learned that I couldnt roar without them as loud as I can now In this chapter I play with 2 words Ive created do luscious and flow Read it youll see what I mean nothing but fun thoughts My other favorite poem is The Struggle it has a part one and a part two Some of the woman who read these 2 poems may find objection to what I have written But I had to say what I thought a man would say or wanted to say The Struggle was written **Art Education, Scholastic and Industrial** Walter Smith,1872
