Englund, 2012-05-16 Somebody Stefan Kanfer, 2009-11-03 Stefan Kanfer acclaimed biographer of Lucille Ball and Groucho Marx now gives us the definitive life of Marlon Brando seamlessly intertwining the man and the work to give us a stunning and illuminating appraisal Beginning with Brando's turbulent childhood Kanfer follows him to New York where he made his star making Broadway debut as Stanley Kowalski in *A Streetcar Named Desire* at age twenty three Brando then decamped for Hollywood and Kanfer looks at each of Brando's films over the years from *The Men* in 1950 to *The Score* in 2001 offering deft and insightful analysis of his sometimes brilliant sometimes baffling performances And finally Kanfer brings into focus Brando's self destructiveness ambivalence toward his craft and the tragedies that shadowed his last years

Marlon Brando Patricia Bosworth, 2012-06-05 This biography of the legendary actor offers a fascinating look into his charismatic genius Library Journal In 1948 Marlon Brando stunned audiences and critics alike with his revolutionary raw and improvisational approach to acting He became a symbol of a new rebellious generation that was sick of conventions and

committed to genuine emotion and unvarnished truth From his breakout role as Stanley Kowalski in *A Streetcar Named Desire* to his mesmerizing portrayal of Don Corleone in *The Godfather* he created some of the most memorable characters in American cinematic history Brando was a paradox intensely private but using his fame to promote worthy causes a womanizer who clung to his childhood friends and animals He was one of the most fiercely independent stars ever In this book acclaimed biographer Patricia Bosworth peels away Brando's many layers revealing the struggles triumphs and relentless ambition that transformed the irrepressible farm boy from Nebraska into a legend of American cinema

Brando: Songs My Mother Taught Me Marlon Brando, 2011-01-26 This is Marlon Brando's own story and his reason for telling it is best revealed in his own words I have always considered my life a private affair and the business of no one beyond my family and those I love Except for moral and political issues that aroused in me a desire to speak out I have done my utmost throughout my life for the sake of my children and myself to remain silent But now in my seventieth year I have decided to tell the story of my life as best I can so that my children can separate the truth from the myths that others have created about me as myths are created about everyone swept up in the turbulent and distorting maelstrom of celebrity in our culture To date there have been over a dozen books written about Marlon Brando and almost all of them have been inaccurate based on hearsay sensationalist or prurient in tone Now at last fifty years after his first appearance onstage in New York City the actor has told his life story with the help of Robert Lindsey The result is an extraordinary book at once funny moving absorbing ribald angry self deprecating and completely frank account of the career both on screen and off of the greatest actor of our time Anyone who has ever enjoyed a Brando film will relish this book Please note this edition does not include photos

The Contender William J. arrested at least once were criticized as being needlessly provocative Yet those actions of fifty years ago have become a model many actors follow today Psychologically astute and masterfully researched based on new and revelatory material The Contender explores the star and the man in full including the childhood traumas that reverberated through his professional and personal life It is a dazzling biography of our nation s greatest actor that is sure to become an instant classic The Contender includes sixteen pages of photographs Marlon Brando Burt Kearns,2024-04-02 Over the last eighty years Marlon Brando has become such an object of fascination buried under so many accreted layers of mythos and half truth that it is all but impossible to see the man behind the icon As we approach the centennial of this undisputed American legend Marlon Brando Hollywood Rebel isa revelatory biography that tells its story the same way the man himself approached a role from the inside Author journalist and pop culture authority Burt Kearns digs deep into the unexplored aspects of Brando s career interests and singular personality revealing how his roles on stage and screen combined with his wild and restless personal life helped to transform popular culture and society writ large His influence was both broad and deep Brando s intense approach to acting technique was emulated by his contemporaries as well as generations of actors who followed from Nicholson and DeNiro to DiCaprio and Gosling But his legacy extends far beyond acting His image in The Wild One helped to catalyze a youth revolution setting the stage for rock n roll culture in a way that directly inspired Elvis Presley the Beatles Andy Warhol and punk rock culture Brando was also frank about his affairs with both sexes a leader of the sexual revolution and a hero of gay culture he defied stereotypes and redefined sexual boundaries in his life and the roles he played But of all his passions activism was even more important to Brando than acting he was an early supporter of Israel civil rights the American Indian movement Black Power gay rights and environmentalism Startlingly intimate and powerfully told Marlon Brando Hollywood Rebel shows how the greatest actor of the twentieth century helped lead the world into the twenty first
