Kammeyer, 1997 Includes bibliographical references and index **The Changing Family** Mark Hutter, 1998 Previous editions of this book have been at the forefront of changes in sociology's perspectives and views. No different is this third edition as it examines the family through a feminist perspective, addresses diversity and multiculturalism and reflects upon the globalization of sociology. This updated edition analyzes the family life cycle from an historical and cross cultural perspective. The issues of race, class, gender and ethnicity are incorporated into the theoretical framework. Global examples are used to illustrate the diversity of American family dynamics. The book also explains how political and economic changes such as industrialization and urbanization affect the structure and dynamics of the family. **The Family Experience** Mark Hutter, 1997 This anthology examines the cultural diversity of the American family by providing a range of relevant articles integrating race, class, gender and ethnicity. Taken as a whole, these readings reveal both historical trends and unique variations that widen our understanding of the diversity patterns and dynamics of the American family. The readings avoid jargon and sophisticated statistical techniques, making them easily accessible for students. Each selection is accompanied by a brief introductory statement that highlights its sociological significance and contains an introductory essay focusing on pertinent issues and concerns. The fourth edition includes 19 new readings on topics including Internet dating, the Internet and family relations, wives and families of professional baseball players, the depiction of fathers in comic books, single parenthood by choice, divorce and fatherhood. **Books in Print Supplement**, 2002 **International Encyclopedia of Marriage and Family** James J.
