A Lily Among the Thorns Miguel A. De La Torre, 2007-07-20 A new way for Christians to think about sexuality Author Miguel De La Torre a well respected ethicist and professor known for his innovative readings of Christian doctrine rejects both the liberal and conservative prejudices about sex He instead develops an ethic that is liberative yet grounded soundly in the Bible a sexuality that celebrates God's gift of great sex by fostering intimacy vulnerability and openness between loving partners In A Lily Among the Thorns De La Torre examines the Bible current events history and our culture at large to show how and why racism sexism and classism have distorted Christianity's central teachings about sexuality The author shows how the church's traditionally negative attitude toward sex in general and toward women people of color and gays in particular have made it difficult if not impossible to create a biblically based and just sexual ethic But when the Bible is read from the viewpoint of those who have been marginalized in our society preconceived notions about Christianity and sex get turned on their heads Taking on hot button topics such as pornography homosexuality prostitution and celibacy the author examines how reading from the margins provides a liberating approach to dealing with issues of sexuality
