Martin Van Buren 8th President Of The United States:

Martin Van Buren, 8th President of the United States Rafaela Ellis, 1989 Traces the childhood education employment political career and presidency of the man from Kinderhook New York **Martin Van Buren** Lesli J. Favor, 2003 Examines the life of the lawyer politician who became the eighth president of the United States and led the country through its first serious depression Martin Van Buren Ted Widmer, 2005-01-05 The first president born after America's independence ushers in a new era of no holds barred democracy The first professional politician to become president the slick and dandyish Martin Van Buren was to all appearances the opposite of his predecessor the rugged general and Democratic champion Andrew Jackson Van Buren a native Dutch speaker was America's first ethnic president as well as the first New Yorker to hold the office at a time when Manhattan was bursting with new arrivals A sharp and adroit political operator he established himself as a powerhouse in New York becoming a U S senator secretary of state and vice president under Jackson whose election he managed His ascendancy to the Oval Office was virtually a foregone conclusion Once he had the reins of power however Van Buren found the road quite a bit rougher His attempts to find a middle ground on the most pressing issues of his day such as the growing regional conflict over slavery eroded his effectiveness But it was his inability to prevent the great banking panic of 1837 and the ensuing depression that all but ensured his fall from grace and made him the third president to be denied a second term His many years of outfoxing his opponents finally caught up with him Ted Widmer a veteran of the Clinton White House vividly brings to life the chaos and contention that plagued Van Buren's presidency and ultimately offered an early lesson in the power of democracy Widmer Young America paints a brief but elegant portrait of our eighth president who Widmer says created the modern political party system for which he deserves our grudging respect Publishers Weekly **Martin Van Buren** Innovating History, 2019-06-03 Martin Van Buren was the eighth President of the United States He was the first US citizen to become President He was also a capable politician a shrewd negotiator and the first politician to create an administrative infrastructure to support his election campaigns He served as Governor of New York City and Vice President in the Andrew Jackson administration before he easily won the Presidential election of 1836 Yet Martin Van Buren has been almost completely forgotten by history Why is that Van Buren was no less able than many of his contemporaries yet they are remembered while he is not Perhaps it was because he lacked the flamboyant personality of many early US politicians Perhaps it was because The Little Magician liked to work his magic behind the scenes rather than in the glare of publicity Perhaps it is simply that he is considered a failed President because he was unable to deal with the financial crisis which engulfed America during his Presidency This book looks at the life and work of one of the least known and appreciated Presidents of the United States It also highlights some intriguing facts about Van Buren's life including the surprising omissions in his autobiography his part in the scandalous Petticoat Affair and the little known link between President Van Buren and The Legend of Sleepy Hollow Rediscover America's forgotten President in

this book which covers Early Life in New York State Entry into State politics National politics and the emergence of the Sly Fox Presidency and the Financial Crisis Later life Legacy **Martin Van Buren** BreAnn Rumsch,2024-07-30 This biography introduces readers to Martin Van Buren including his early political career and key events from Van Buren s administration including the Panic of 1837 and the passage of the Independent Treasury Act Information about his childhood family personal life and retirement years is included A timeline fast facts and sidebars provide additional information Aligned to Common Core Standards and correlated to state standards Big Buddy Books is an imprint of Abdo Publishing a division of ABDO

Martin Van Buren: 8th President of U.S. Ellis Rafaela,1989 **Martin Van Buren** Steven Ferry,2001-08 Discusses the early life family political career and contributions of the eighth president of the United States **Martin Van Buren** Ted Widmer,2005 The autobiography of Martin Van Buren. Van Buren, Martin,1920-01-01 **Martin Van Buren** Steven Wallace,2021-01-13 Martin Van Buren A Fascinating Biography of the 8th United States President showcases the life and political career of a man who championed for the expansion of voting rights and would later overcome an attempt to rig the Presidential election by the opposing party to take his place in American history In his continuing series on American presidents Steven Wallace presents the lifelong biography of the patriotic eighth President of the United States Before the Panic of 1837 the second worst depression in American history poisoned his career and term as presidency Martin Van Buren was a passionate politician who hoped to move America forward Born just six years after the founding of the United States Martin Van Buren seemed destined for politics Known throughout his career as Little Van for his short stature his impact on America was certainly not minimal From the age of fourteen the democratic Van Buren began a political career as an apprentice He would later go on to fulfill several positions including senator for New York state a brief stint as Governor Andrew Jackson s Secretary of State and eventually President His incredible life also led him to become directly involved in intriguing events such as the War of 1812 and the Petticoat Affair Enjoy this concise and interesting biography about the eighth President of the United States who s impressive political career was overshadowed by the second worst depression in the nation s history **United States Presidents' Forgotten Details** Katharina Abt,2010-09-25 This is no ordinary Presidential Book but a fun fact Trivia Book There have been Forty Three Presidents of the United States of America We currently have a Forty Fourth President whose Presidency will end in November 2016 He will hand over his duties officially on January 30 2017 when the new President is sworn in The purpose of this book is to learn about our Presidents as ordinary citizens When children hear about the President of the United States of America they are the head of the country Whether or not they belong to the Whig Federal Independent Democratic or Republican Parties This is not a political book but a book of unknown facts of our Presidents before and becoming Presidents It has details such as Birthdays Wedding Anniversaries Children cause of death Ages they became Presidents and how old they were when they died Also fun facts such as whose faces are on the currencies shortest tallest fattiest skinniest who was the first President to occupy the white house Who was

the first President of the turn of the new century Example 1801 1901 2001 This book has a table of contents So you can refer easily to the page of the President you are interested in Some Presidents have more information than others depending on how much they did in their lives Another purpose of this books about the Presidents and Internet School aged children write reports about the presidents for Presidents week Many children just know George Washington Abraham Lincoln and Barack Obama our current President They really don t know the other Presidents Teachers give children questions to answer and about Presidents Many go directly to the Internet and take approximately forty five minutes to find one answer to one question With this reference book you find the answer within Five minutes at their finger tips This book is suitable for Eight years old to Adults

The Claims of Martin Van Buren to the Presidency Fairly Represented, in a Sketch of the Chief Political Transactions of His Life Anonymous,2023-07-18 This book provides a detailed political biography of Martin Van Buren the 8th President of the United States It covers his political career including his time as Secretary of State and Vice President as well as his unsuccessful run for a second term as President The book argues that Van Buren s contributions to American politics have been unfairly overlooked and provides a balanced assessment of his achievements This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
