Martin Amis

Martin Amis:

Experience Martin Amis, 2010-10-29 Martin Amis is one of the most gifted and innovative writers of our time. With Experience he discloses a private life every bit as unique and fascinating as his bestselling novels. He explores his relationship with his beloved father, novelist Kingsley Amis, and examines the life and legacy of his cousin Lucy Partington, who was abducted and murdered by one of Britain's most notorious serial killers. Experience also dissects the literary scene and includes Amis' portraits of Saul Bellow, Salman Rushdie, Allan Bloom, Philip Larkin, Robert Graves, and Ian McEwan, among others. Not since Nabokov's *Invitation of a Beheading* has such an implausible life been recorded by such an inimitable talent. **The Moronic Inferno and Other Visits to America** Martin Amis, 1991-04-12 A collection of essays on America by the author of *London Fields*, *Money*, and *Yellow Dog*. At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult, he has approached that confusing country from many arresting angles and interviewed its literati, filmmakers, thinkers, opinion makers, leaders, and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth, and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bülow. Steven Spielberg gets a visit as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler. ***Success*** Martin Amis, 1989-04 Martin Amis captures a growing American audience with this dazzling black comedy about family, class, and revenge. For the first time in paperback, an exquisitely constructed, cruelly funny, mercilessly intimate portrait of two messy little lives. *Chicago Tribune* ***The Janitor on Mars*** Martin Amis, 2011-11-17 ***Dead Babies*** Martin Amis, 2025-05-20 *Dead Babies*, a hilarious Agatha Christie parody, and Martin Amis's second novel, was deemed his most incendiary by the BBC. Within the quiet walls of the Appleseed Rectory, a gorgeous five-bedroom, three-story home in rural England, anything goes: the drugs are consumed with gusto, the booze flows like water, and the sex is near-constant and deliciously debauched. When six uppity twentysomethings gather at the rectory for a careless weekend away, things quickly go awry. And when someone named Johnny begins leaving threatening letters around the house, the group is thoroughly shaken; no one has any clue who this Johnny could be. A dizzying whirlwind of a novel, *Dead Babies* is a lurid, sharp, and darkly hilarious indictment of the horrifying vices and shameless self-indulgences of privileged youth. ***Vintage Amis*** Martin Amis, 2004-01-06 A perfect introduction to one of the world's greatest modern writers, who is equally at home in satirical novels and biting critical essays, wickedly funny short stories, and intimate autobiography. Amis throws off more provocative ideas and images in a single paragraph than most writers get into complete

Amis,2001 **Yellow Dog** Martin Amis,2010-07-30 Brilliant painful dazzling and funny as hell Yellow Dog is Martin Amis highly anticipated first novel in seven years and a stunning return to the fictional form When dream husband Xan Meo is vengefully assaulted in the garden of a London pub he suffers head injury and personality change Like a spiritual convert the familial paragon becomes an anti husband an anti father He submits to an alien moral system one among many to be found in these pages We are introduced to the inverted worlds of the yellow journalist Clint Smoker the high priest of hardmen Joseph Andrews and the porno tycoon Cora Susan Meanwhile we explore the entanglements of Henry England his incapacitated wife Pamela his Chinese mistress He Zhezun his fifteen year old daughter Victoria the victim of a filmed intrusion that rivets the world because she is the future Queen of England and her father Henry IX is its King The connections between these characters provide the pattern and drive of Yellow Dog If in the 21st century the moral reality is changing then the novel is changing too whether it likes it or not Yellow Dog is a model of how the novel or more particularly the comic novel can respond to this transformation But Martin Amis is also concerned here with what is changeless and perhaps unchangeable

Patriarchy and the entire edifice of masculinity the enormous category error of violence arising between man and man the tortuous alliances between men and women and the vanished dream probably always an illusion but now a clear delusion that we can protect our future and our progeny Meo heard no footsteps what he heard was the swish the shingly soft shoe of the hefted sap Then the sharp two finger prod on his shoulder It wasn't meant to happen like this They expected him to turn and he didn't turn he half turned then veered and ducked So the blow intended merely to break his cheekbone or his jawbone was instead received by the cranium that spacey bulge in this instance still quite marriageably forested where so many delicate and important powers are so trustingly encased He crashed he crunched to his knees in obliterating defeat from Yellow Dog

London Fields Martin Amis, 2010-08-24 NATIONAL BESTSELLER A blackly comic late 20th century murder mystery set against the looming end of the millennium in which a woman tries to orchestrate her own extinction from one of the most gifted novelists of his generation TIME Lyrical and obscene colloquial and rhapsodic The New York Times First published in 1989 *London Fields* is set ten years into a dark future against a backdrop of environmental and social decay and the looming threat of global cataclysm As the dreaded Y2K approaches Nicola Six a black hole of sex and self loathing has chosen her thirty fifth birthday November 5 1999 as the date of her own murder Whom to manipulate into killing her is the question her choice wavers between violent lowlife Keith Talent who is obsessed with winning a darts tournament and a dimly romantic banker named Guy Clinch When Samson Young a writer suffering from a long bout of writer's block stumbles upon these three he believes he has found a story that will write itself A highly unusual mystery with an unexpected twist at the end *London Fields* is also a corrosively funny narrative of pyrotechnic complexity and scalding moral vision Money Martin Amis, 2010-12-23

The Rachel Papers Martin Amis, 2011-02-09 In his uproarious first novel Martin Amis author of the bestselling *London Fields* gave us one of the most noxiously believable and curiously touching adolescents ever to sniffle and lust his way through the pages of contemporary fiction On the brink of twenty Charles High way preps desultorily for Oxford cheerfully loathes his father and meticulously plots the seduction of a girl named Rachel a girl who sorely tests the mettle of his cynicism when he finds himself falling in love with her House of Meetings Martin Amis, 2010-07-23 A haunting new novel that ratifies Martin Amis's standing as a force unto himself as the Washington Post has attested There is simply no one else like him In the slave labour camps of the Soviet Union conjugal visits were a common occurrence Valiant women would travel vast distances over weeks and months in the hope of spending just one night with their lovers in the so called House of Meetings Unsurprisingly the results of these visits were almost invariably tragic Martin Amis's new novel *The House of Meetings* is about one such visit it is a love story gothic in timbre and triangular in shape Two brothers fall in love with the same woman a nineteen year old Jewish girl in 1946 Moscow a city poised for pogrom in the gap between war and the death of Stalin The brothers are arrested and their fraternal conflict then marinates over the course of a decade in a slave labour camp above the Arctic Circle The destinies of all three lovers remain unresolved until 1982 but for the sole

survivor the reverberations continue into the next century A short novel of great depth and richness The House of Meetings finds Martin Amis at the height of his powers in new and remarkably fertile fictional territory **Martin Amis:**
Postmodernism and Beyond G.
