## Midnight Play:

**From Morn to Midnight: A Play in Seven Scenes (1922)** Georg Kaiser, 2011-10-27 This early work originally published in 1922 is both expensive and hard to find in its first edition. Written by the German dramatist Georg Kaiser one the most successful Expressionist dramatists of his age. This play among the most frequently performed German Expressionist works charts the life of a cashier who steals money from the bank and flees to Berlin. The un named protagonist's bid to escape his middle class daily life is ultimately frustrated. Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable high quality modern editions using the original text and artwork.

**Midnight's Court** M. R. Morris, 2012-05-30 Midnight's Court is a tender and whimsical story about an outdoor cat becoming best friends with an indoor cat. Midnight lives outdoors under the shed with his Mama and Aunt Willow lives indoors with The People Ray and Mary. The story unfolds with each cat trying to understand what it's like to live indoors or outdoors while their worlds are separated by a sliding glass door. As Midnight grows up he faces some difficult choices during his adventures. He has to cope with some unforeseen circumstances and unwanted surprises as new characters are introduced to his Court.

*Marionette Plays from Northern China*, 2017-04-07 Marionette puppet theater has a rich and ancient history in China extending back to the Han dynasty and reaching its heyday in the Qing dynasty. While this art form is nearly extinct in northern China today a handful of troupes in Heyang County in Shaanxi Province which claims to be the birthplace of marionette theater continue to perform skits and scenes from Heyang's earlier broader marionette theater repertoire. In this book Fan Pen Li Chen has collected and translated rare transcriptions of some of the most popular of these plays. Her insightful translations include a rich variety of genres and highlight memorable characters that range from manipulative aristocrats poor Confucian scholars and a woman warrior to Baldy Guo the iconic clown of puppet theater. As the only work in English about the puppet theater of northern China these translations provide valuable information about the history religion social roles and popular culture of that region. Detailed introductions and annotations for each play as well as an extensive bibliography are also included.

**Folk Music and Song in the WPA Ex-Slave Narratives** John Minton, 2025-02-17

Between 1937 and 1940 fieldworkers in the Works Progress Administration's Federal Writers Project interviewed around 3 500 formerly enslaved people in North America resulting in roughly 20 000 pages of still unedited and inadequately indexed typescript. These accounts, the WPA ex slave narratives, are the most substantial collection by far of folklore and oral history gathered directly from enslaved people in America. It is arguably the single greatest body of African American folklore extant and a significant portion is devoted to folk music and song. This book considers this treasure trove in all its relevant social, cultural and historical contexts. Nineteenth century Black folk music developed against the backdrop of North American slavery, the American Civil War, Emancipation, the Federal occupation of the South and a successful white supremacist paramilitary and political insurgency that led to Federal withdrawal, officially sanctioned racial terror and Southern apartheid. The WPA ex slave narratives describe that history in remarkable detail. Despite their inestimable value, most of the ex slave narratives remained unpublished until the late 1970s, being almost unknown except to folklorists. Even after publication, the collection's sheer size was a barrier. Quoting extensively from the narratives and exhaustively annotated and indexed, this volume provides readers with detailed explanations and full references for every musical item or tradition featured in the ex slave narratives. John Minton covers instrumental music and social dancing, spirituals and hymns, singing games and lullabies, ring plays and reels, worksongs, minstrel songs, ballads, war songs, slavery laments and much, much more. Written for both specialists and general readers with 134 illustrations, the book also offers a general overview of the ex slave narratives, their contents, creation and relation to the field of African American folklore as a whole.

**The Midnight Caller** Horton Foote, 1959. The play is set in a boarding house in a small town on the Gulf Coast of Texas. Three unmarried women, Alma, Jean Cutie and Miss Rowena, have lived there for years, watching the life of the town. Helen Crews, after a disagreement with her mother, also moves in. Helen had been engaged to Harvey Weems, a charming but weak young man, and the two mothers had managed to break off the engagement. Now Harvey, in love with Helen but not strong enough to defy his mother, comes every night to Helen's window to call her name. Ralph Johnston, an attractive young man, has just moved to town and into the boarding house, where he becomes very much interested in Helen. Thanks to Ralph's love, Helen is at last able to leave the town and go off to a happy life of her own and marriage, and Harvey, the midnight caller, is left behind, still calling for her.
