He's direct, determined and knows exactly what he wants and he wants McKenzie. She's built walls around her heart but Ethan is determined to break them down. Through every challenge, every heated exchange and every vulnerable moment Ethan shows McKenzie that love isn't hopeless no matter how much she tries to convince herself otherwise. The chemistry between them is undeniable but as their bond deepens McKenzie begins to question whether their connection is just about passion or if something deeper is at play. Could this fiery relationship heal her heart or will it push her further into the emotional hole she's trying to climb out of? As sparks fly and hearts begin to mend, one thing is clear: McKenzie is about to face a love more intense than she ever expected.

Excerpt: What is it you want, McKenzie? Ethan's voice was low, a mix of command and desire, his lips trailing teasing kisses down my neck. His hand wandered down my body, making my breath hitch as his fingertips brushed the delicate lace of my lingerie. His gaze never left mine, dark with anticipation as he slowly pushed the fabric aside, his touch sending jolts of heat through me. I bit my lip, trying to contain the desperate moan that threatened to escape. He smirked, clearly enjoying my struggle. His fingers moved with precision, driving me to the edge as I struggled to keep control. I want you, I breathed out, surrendering completely to the pull between us.
