

Migration

Wings of Change

On wings of faith, they take to the skies,
In search of new lands, where dreams arise.
With feathers light, they break the chain,
In migration's dance, they find no pain.

Through endless blue, they soar so high,
A quest for life beneath the open sky.
With every flap, they redefine,
The art of migration, an age-old sign.

In their flight, a lesson we trace,
Migration's grace, in every space.
For in their wings, the world's reborn,
In endless cycles, life's fabric torn.

Actually it has the same aim as psychoanalysis catharsis through emotional understanding that can lead to transformative change Although many poets have written about their personal experience as immigrants and that of their parents and grandparents no single book of poems captures the experience of a diversity of cultures

For this book we have gathered Israeli Palestinian African American Hungarian German Hispanic Indian Pakistani Chinese Japanese Native American Jewish Christian Muslim

The poems reveal a range of experiences from welcoming to hostile *Drift Migration* Danielle Beazer Dubrasky,2021-12-15
