Migrations Humanity In Transition:

Migrations Sebastião Salgado, 2000 First published in April 2000 Migrations and its companion volume The Children have been garnering tremendous international attention ever since Exhibited across the globe from Brazil to Paris and Germany to New York Sebastião Salgado's photographs continue to tour and to transform the perceptions of those who view them As a testament to both their power and their relevance a major exhibition of photographs from The Children was mounted as part of the United Nations Millennium Assembly in 2000 In Migrations internationally renowned photographer Sebastião Salgado turns his attention to the staggering phenomenon of mass migration In photographs taken over seven years and across more than thirty five countries this volume documents the epic displacement of the world's people at the close of the twentieth century Wars natural disasters environmental degradation explosive population growth and the widening gap between rich and poor have resulted in over one hundred million international migrants a number that has doubled in the span of a decade This extraordinary level of demographic change is unparalleled in human history and presents profound challenges to the most basic notions of nation culture community and citizenship The first pictorial survey to extensively chronicle the current global flux of humanity Migrations follows Latin Americans entering the United States Jews leaving the former Soviet Union Africans traveling into Europe Kosovars fleeing into Albania and many others The images address suffering while revealing the profound dignity courage and energy of the subjects With his unique vision and empathy Salgado gives us a clearer picture of the enormous social and political transformations now occurring in a world divided between excess and need *Migrations* Salgado, 2000-04 **Sebastião Salgado** Sebastião Salgado, 2001

Handbook of Art and Global Migration Burcu Dogramaci, Birgit Mersmann, 2019-07-08 Wie lässt sich eine Kunstgeschichte denken die prozessuale performative und transkulturelle Wanderungsbewegungen ins Zentrum ihrer theoretischen und methodischen Analysen rückt Mit Beiträgen international ausgewiesener Experten gibt das Handbuch erstmals Antworten darauf welche Konsequenzen das Zusammenwirken von Migration und Globalisierung für die kunstwissenschaftliche Forschung die kuratorische Praxis sowie die künstlerische Produktion und Theorie hat Ziel der vielstimmigen Anthologie ist es einen interdisziplinären Diskurs zum migratory turn in der Kunstgeschichte zu eröffnen

Christianity and the Law of Migration Silas W. Allard, Kristin Heyer, Raj Nadella, 2021-09-05 This collection brings together legal scholars and Christian theologians for an interdisciplinary conversation responding to the challenges of global migration Gathering 14 leading scholars from both law and Christian theology the book covers legal perspectives theological perspectives and key concepts in migration studies In Part 1 scholars of migration law and policy discuss the legal landscape of migration at both the domestic and international level In Part 2 Christian theologians ethicists and biblical scholars draw on the resources of the Christian tradition to think about migration In Part 3 each chapter is co-authored by a scholar of law and a scholar of Christian theology who bring their respective resources and perspectives into conversation on key themes

within migration studies The work provides a truly interdisciplinary introduction to the topic of migration for those who are new to the subject an opportunity for immigration lawyers and legal scholars to engage Christian theology an opportunity for pastors and Christian theologians to engage law and new insights on key frameworks for scholars who are already committed to the study of migration The Cultures of Economic Migration Tope Omoniyi,2016-03-16 This volume explores the processes of economic migration the social conditions that follow it and the discourses that underlie research into it Reflecting critically on economic migration and on the process of studying and creating knowledge about it the contributors address the question of whether recent enquiries into modernity bring a newer and better comprehension of the nature of dislocation and movement or whether these serve simply to replicate familiar modes of placing people and individuals The book is organized into perspectives in and on specific continents Europe Asia and Africa in order to explore notions regarding economic migration within and across regions as well as towards displacing the Eurocentrism of many studies of migration

The Political Responsibilities of Everyday Bystanders Stephen L. Esquith,2011-02-28 In a world where every person is exposed daily through the mass media to images of violence and suffering as most dramatically exemplified in recent years by the ongoing tragedy in Darfur the question naturally arises What responsibilities do we as bystanders to such social injustice bear in holding accountable those who have created the conditions for this suffering And what is our own complicity in the continuance of such violence it involves settling accounts as well as recognizing our own complicity even as bystanders
