## **Mike Force:**

MIKE Force Shaun Darragh, 2015-10-23 A soldier serving with the MIKE Force in Vietnam wakes up every day knowing it might be his last You don't run with the indigenous Montagnard strikers expecting to live forever That's the nature of the beast that haunts American advisors serving with the tough little highland tribal volunteers in Vietnam's misty enemy infested central highlands It's tough demanding duty and just the kind of thing that attracts military mavericks like former Peace Corps volunteer Galen St Cyr who finds empathy and a new mystical identity with the Jarai tribesmen of his MIKE Force unit He finds himself on the outskirts of the regular U S military along with hand picked American Australian and Vietnamese Special Forces advisors and quickly discovers that duty with Montagnard soldiers involves more than just beating the bush and killing the enemy The world of the Jarai is both primitive and complex and learning to survive in it is the challenge of Galen's turbulent life On a journey that becomes as much spiritual as military St Cyr virtually becomes Jarai taking a hauntingly lovely native lover who commands a squad of assassins and listens to spirit voices and deals with tribal separatist elements who are planning an anti government coup Given the dearth of native characters and perspectives in books about America's Vietnam intervention this work fills a gap It is one of the most nuanced even handed novels on the conflict it has more in common with *Last of the Mohicans* than *Rambo* or *Delta Force* And that makes it far superior as a work of art and far more fascinating as a work of fiction Andrew Salmon author of *To the Last Round The Epic British Stand on the Imjin River* and *Scorched Earth Black Snow Britain and Australia in the Korean War* *Mike Force* L. H. Burruss, 2000-12 An eloquent and unsparing memoir of life and death during two tours in the Special Forces country wide reaction force in Vietnam The trials triumphs bravery and bawdiness of a team of elite Green Berets and their Montagnard soldiers whose mission was to go where the fighting was heaviest Burruss chronicles his comrades valor with descriptions of combat so real you'll feel you're there Includes photos poetry and songs A beautiful piece of work by an author who is sensitive a keen observer and a gallant soldier Lieutenant General William P Yarborough USA Ret Mobile Strike Forces in Vietnam 1966-70 Gordon L. Rottman, 2013-07-20 US Special Forces in Vietnam created the Civilian Irregular Defence Group CIDG a large paramilitary organization designed to protect the local population from Viet Cong incursions whilst conducting border surveillance raids and combat patrols in the local area Their camps were often overrun and having no spare manpower the US Special Forces created dedicated reaction units which could act in a responsive and flexible manner Mobile Strike MIKE Forces This book examines the MIKE Force units which were formed from the CIDG the parachute and airmobile training they were given and the operations that they undertook from relieving friendly camps to independent offensive operations providing the first organizational history of the MIKE forces in combat *The Dega* Shaun Darragh, 2011 For former Peace Corps volunteer Galen St Cyr the MIKE Force is the ultimate military adventure Having escaped the petty harassment and mindless discipline of the conventional Army he is now out on his own with a hand picked

team of American Australian and Vietnamese Special Forces leading a company of Montagnard paratroops against the Viet Cong and North Vietnamese He has even taken a beautiful Jarai lover Now if he can just survive the Tet offensive Vietnamese schemes a lover who commands assassins and hears voices in her head a Montagnard revolt and hard combat with an ever growing enemy he might just live long enough to make it home If that s really what he wants After all you don t join the MIKE Force expecting to live forever     **Hai Si** ,     **U.S.A.
