Open Marxism Theory And Practice Vol II:

Open Marxism: Theory and practice Werner Bonefeld, Richard Gunn, Kosmas Psychopedis, 1992 Through a series of interconnected articles this book makes available a range of international authors for an English readership Topics covered include Marxism and political economy historical materialism dialectics state theory class crisis fetishism and the periodization of capitalist development *Open Marxism, Volume 2* Werner Bonefeld, Richard Gunn, Kosmas Psychopedis, 1992-09-28 Topics covered include Marxism and political economy historical materialism dialectics state theory class fetishism and the periodisation of capitalist development **Castoriadis and Critical Theory** Christos Memos, 2014-11-18 By exploring the concepts of crisis and critique this study offers a thought provoking re examination of the political and social thought of Cornelius Castoriadis in light of the current world crisis and with regard to his radical critique of both the traditional Left and contemporary capitalist societies *Marxism Against Postmodernism in Educational Theory* Mike Cole, Dave Hill, Peter McLaren, 2002-12-11 Postmodernism has become the orthodoxy in educational theory It heralds the end of grand theories like Marxism and liberalism scorning any notion of a united feminist challenge to patriarchy of united anti racist struggle and of united working class movements against capitalist exploitation and oppression For postmodernists the world is fragmented history is ended and all struggles are local and particularistic Written by internationally renowned British and American educational theorists Marxism Against Postmodernism in Educational Theory a substantially revised edition of the original 1999 work Postmodernism in Educational Theory critically examines the infusion of postmodernism and theories of postmodernity into educational theory policy and research The writers argue that postmodernism provides neither a viable educational politics nor the foundation for effective radical educational practice and offer an alternative politics of human resistance which puts the challenge to capitalism firmly on the agenda of educational theory politics and practice **A World Beyond Work?** Ana Cecilia Dinerstein, Frederick Harry Pitts, 2021-01-15 This book mounts a forceful critique of fashionable thinking on the possibility of a post work post capitalist society achieved through automation a basic income and the reduction of working hours to zero suggesting this popular utopia is nothing of the sort *Open Marxism, Volume 3* Werner Bonefeld, Richard Gunn, John Holloway, Kosmas Psychopedis, 1995-06-01 Global Capital, National State and the Politics of Money Werner Bonefeld, John Holloway, 1994-12-12 The politics of international debt have received increasing attention in recent years However discussion of the politics of money has focused on Latin American and third world countries So far there has been little treatment of the politics of scarce money and of money as a political category in relation to advanced countries The central theme of the book is the limitations and constraints on state action which arise from the relation between the nation state and the global flow of money **Encyclopedia of Critical Political Science** Clyde W. Barrow, 2024-03-14 An indispensable and exemplary reference work this Encyclopedia adeptly navigates the multidisciplinary field of critical political science providing a comprehensive overview of the methods

approaches concepts scholars and journals that have come to influence the discipline's development over the last six decades

Change the World Without Taking Power John Holloway, 2005-06-20 Offers a radical rethinking of Marx's concept of revolution that shows how we can bring about social and political change today

Hegel and Marx Ian Fraser, 1998 This text introduces the concept of need as viewed by Hegel and Marx and places it within the context of modern need theories and theorists The book works through key texts including Hegel's Philosophy of Right and Marx's Capital and discusses the theory in relation to Soviet Communism and social democracy Covers key texts by Hegel and Marx studied by undergraduates on political theory courses Looks at political implications for modern need theory Accessible author makes good use of textual evidence Need theory is a major element of modern social theory

Class, Economic Theory and State Practice Paul Zarembka, 1997 An examination of the relationship between class struggle and economics and between class forces and state projects It explores the economics of socialism with an assessment of Marxian labour values and concludes with an introduction to Reagan Bush and right wing politics in the US
