## Underground Communication Network

How secret messages were sent around the world by ANC operatives

### Antoinette Vogelsang

was an air hostess who smuggled laptops and stiffs discs into South Africa from the Netherlands.

### Lucia Raadschelders

was a volunteer sent from the Netherlands to Lusaka, as the Vula message manager. She lived near the ANC's headquarters.

### Tim Jenkin

was an escaped political prisoner in exile in London. He developed the communication network and became the central hub through which all messages flowed. ANC operatives, underground in SA, sent encrypted messages to him in London. He would decrypt them, then re-encrypt them and send them on to Lusaka.

Encrypted information would be recorded on tape recorders and sent down telephone lines from public telephone boxes to specific answering machines in secret locations.

## **Operation Vula:**

**The Road to Democracy in South Africa** South African Democracy Education Trust,2024-12-02 In South Africa the decade of 1980 1990 not only saw the mobilisation of the popular masses but also the marked escalation of the armed struggle inside the country initiated and waged by the African National Congress ANC The liberation movement headed by the ANC led Congress Alliance took major strides which finally broke the backbone of white supremacist rule This book examines and analyses the events leading to the settlement of democracy in South Africa during this period Amongst other topics the subject matter of this book also includes a discussion of The apartheid regime ANC underground armed actions and popular resistance Liberation struggle in the 1980s in the Eastern Cape Bophuthatswana and the role of the UDF in the Western Transvaal Trade Unionism Print editions not for sale in Sub Saharan Africa This book is part of Routledge s co published series 30 Years of Democracy in South Africa in collaboration with UNISA Press which reflects on the past years of a democratic South Africa and assesses the future opportunities and challenges

## **The Politics of Truth and**

**Reconciliation in South Africa** Richard Wilson,2001-05-02 The South African Truth and Reconciliation Commission TRC was set up to deal with the human rights violations of apartheid during the years 1960 1994 However as Wilson shows the TRC s restorative justice approach to healing the nation did not always serve the needs of communities at a local level Based on extended anthropological fieldwork this book illustrates the impact of the TRC in urban African communities in Johannesburg While a religious constituency largely embraced the commission s religious redemptive language of reconciliation Wilson argues that the TRC had little effect on popular ideas of justice as retribution This provocative study deepens our understanding of post apartheid South Africa and the use of human rights discourse It ends on a call for more cautious and realistic expectations about what human rights institutions can achieve in democratizing countries

**Insurgency and Counterinsurgency in South Africa** Daniel L. Douek,2020 Probes the underbelly of early post apartheid South Africa and the destabilization and assassination campaign unleashed as white rule ended

**Operation Vula** Conny Braam,2004 This book narrates with emotion and humility Braam s role and others parts in what was the last and largest ANC operation against the apartheid regime

**Zuma** Jeremy Gordin,2010-11-22 The first edition of Zuma published in late 2008 concluded with Jacob Zuma s future balancing on a knife s edge National elections loomed but so did corruption charges and endless court battles Since then Zuma s star has spectacularly risen the corruption charges were dropped he led the ANC to election victory and duly became President of South Africa and his new cabinet and government appointments were generally well received But he has also recently suffered a huge blow with revelations of another love child this time with the daughter of soccer supremo Irvine Khoza Many of his supporters have distanced themselves from him and Zuma is looking isolated Pundits are once again wondering how long he ll survive as President In this revised and updated edition Jeremy Gordin takes the reader right up to present He covers in detail the highs and lows of Zuma s past 18 months

including the final salvos of his legal battles as well as his first year as President New material in this edition also includes the Pedro document a document Zuma wrote in 1986 and accurate information on his wives and children     *External Mission* Stephen Ellis,2022-07-15 External Mission helped me understand better how the phenomenon of Jacob Zuma and his main legacy state capture became possible MAX DU PREEZ After the ANC was banned by the apartheid government in 1960 many of its leaders and members were forced to leave the country During the next three decades it had to operate in exile and underground Yet the real history of this period remains shrouded in mystery Some events such as the Rhodesian campaign of 1967 1968 and the Kabwe conference of 1985 are well known but lesser known are the intense factional struggles within the organisation recurring pro democracy protests and the creation of a security apparatus that inspired widespread fear Some networks within the exiled ANC became heavily involved in corruption even colluding with elements of the apartheid security police and secret services External Mission aims to provide a full account of the ANC s years in exile penetrating the secrecy the organisation erected around itself and testing the myths that emerged from that period It is based on an exceptionally wide range of sources including the ANC s own archives and foreign archives such as those in East Germany where the movement s security personnel were trained Incisive and revealing External Mission is key to understanding South Africa today     **Umkhonto We Sizwe and the South African Communist Party** Warwick Davies-Webb,1991

**Apartheid's Friends** James Sanders,2006 Very little has been written about the South African secret intelligence but revelations to the Truth and Reconciliation Commission and the new culture of confessions now make that possible James Sanders has gathered classified documents and interviewed ex operatives since 1997 and has pieced together an extraordinary unsavoury picture of the Intelligence Service both inside South Africa and overseas He reveals evidence of state sponsored murder not only to intimidate the ANC but also to allow hard men within the police and the armed forces to let off steam He reveals that Republican political candidates in the US were assisted in elections against anti Apartheid Democrats He shows that South Africa supplied Argentina with weapons during the Falklands War and that Harold Wilson s surprising outbursts when he claimed that South African intelligence agents were trying to bring down his government were based on hard evidence At operational level South African Intelligence had intimate links with counterparts in the CIA British Intelligence and other agencies worldwide Apartheid s Friends not only provides an insight into a dark area of South Africa s past it is also an important contribution to the international history of secret service     **Mayibuye** ,1991     **Submit Or Fight!** ,1991     **Salut** ,1994     *New Contree* ,2005     *The Rise and Fall of Apartheid* David Welsh,2009 David Welsh is

Professor Extraordinaire in the Department of Political Science at Stellenbosch University and author of The Roots of Segregation and South Africa s Options     **The African National Congress and the Negotiated Settlement in South Africa** Johannes Rantete,1998 This exceptional and objective book focuses primarily on two broad themes of the ANC s political life during the South African transition in the early 1990s its reconstruction inside South Africa as an organisation

and its negotiated road to power     **The Other Side of the Story** H. D. Stadler,1997     ANC Vladimir Gennad'evich Shubin,2008 Dr Vladimir Shubin describes the relationship between the ANC and the Soviet government from the late 1960s to the dissolution of apartheid For many ANC members the Soviets are fondly remembered for the assistance they gave so selflessly     *Days of the Generals* Hilton Hamann,2001 An explosive behind the scenes story from the South African Generals themselves about covert operations strategic alliances and full scale war     *Decisions on Democracy* Per Strand,2000     **The ANC and the Liberation Struggle** Dale T. McKinley,1997 Written from inside the movement of which it is so critical McKinley s book iseloquent testimony of the continuing vitality of the South African left Modern African Studies Dale T McKinley s succinct critical biography of the ANC offers the reader much food for thought Written from a Marxist theoretical perspective it examines the leadership strategies of the ANC from its birth through to the formation of the Transitional Executive in the lead up to the first deomcratic elections of 1994 McKinley s argument is thororugh and rigorous and raises many important questions for supporters of the ANC and similar liberation struggles around the world A valuable book Left Republican Review A critical Marxist analysis of ANC strategy and tactics over the past decades This will be a controversial book but one which should help refine the debate around the ANC s performance in government Mail and Guardian South Africa The African National Congress the ANC negotiated a transition of government and power in South Africa in the early 1990s and gained widespread respect and legitimacy when Nelson Mandela was voted in as President in 1994 In this controversial and radical critique of the ANC and the struggle for liberation in South Africa Dale T McKinley challenges conventional public perceptions of the organisation and its celebrated rise to power McKinley offers the first detailed analysis of the ANC s leadership tactics and strategies from the 1920s through the years of exile to the 1990s focusing on its close alliance with the South African Communist Party he reveals that the organisation despite historical claims to the contrary failed to stay in touch with the south African masses The ANC made fundamental compromises to gain political power and in so doing has ensured that the economic power base of the ruling elites in South Africa remains essentially unaltered     **Pace** ,1999
