
The image shows a 3D optical illusion constructed from numerous strips of paper. Each strip is decorated with a series of parallel diagonal lines in a repeating color sequence: red, blue, yellow, and white. The strips are arranged in a way that creates a central vertical column and two side panels. The central column appears to be a solid, curved surface, while the side panels show the individual strips more clearly. The entire structure is set against a light-colored wooden background.
