Translation as Transhumance Mireille Gansel,2017-11-20 Mireille Gansel grew up in the traumatic aftermath of her family losing everything including their native languages to Nazi Germany In the 1960s and 70s she translated poets from East Berlin and Vietnam Gansel s debut conveys the estrangement every translator experiences by moving between tongues and muses on how translation becomes an exercise of empathy between those in exile The Power of Witnessing Nancy R. Goodman,Marilyn B. Meyers,2012-08-21 Witnessing comes in as many forms as the trauma that gives birth to it The Holocaust undeniably one of the greatest traumatic events in recent human history still resonates into the twenty first century The echoes that haunt those who survived continue to reach their children and others who did not share the experience directly In what ways is this massive trauma processed and understood both for survivors and future generations The answer as deftly illustrated by Nancy Goodman and Marilyn Meyers lies in the power of witnessing the act of acknowledging that trauma took place coupled with the desire to share that knowledge with others to build a space in which to reveal confront and symbolize it As the contributors to this book demonstrate testimonial writing and memoir artwork poetry documentary theater and even the simple recollection of a memory are ways that honor and serve as forms of witnessing Each chapter is a fusion of narrative and metaphor that exists as evidence of the living mind that emerges amid the dead spaces produced by mass trauma creating a revelatory transformational space for the terror of knowing and the possibility for affirmation of hope courage and endurance in the face of almost unspeakable evil Additionally the power of witnessing is extended from the Holocaust to contemporary instances of mass trauma and to psychoanalytic treatments proving its efficacy in the dyadic relationship of everyday practice for both patient and analyst The Holocaust is not an easy subject to approach but the intimate and personal stories included here add up to an act of witnessing in and of itself combining the past and the present and placing the trauma in the realm of knowing sharing and understanding Contributors Harriet Basseches Elsa Blum Bridget Conley Zilkic Paula Ellman Susan Elmendorf George Halasz Geoffrey Hartman Renee Hartman Elaine Neumann Kulp Shabad Dori Laub Clemens Loew Gail Humphries Mardirosian Margit Meissner Henri Parens Arlene Kramer Richards Arnold Richards Sophia Richman Katalin Roth Nina Shapiro Perl Myra Sklarew Ervin Staub
