## **Obedient Bride:**

The Obedient Bride Mary Balogh,2020-06-02 Geoffrey the new Viscount Astor needs a wife Since he sets no great store by love and romance he decides it would be eminently sensible to offer marriage to one of the three daughters of his predecessor He has never met any of them and has no preference He leaves the choice to them and their mother Arabella the middle daughter volunteers to make the sacrifice and marry the earl since her older far more lovely sister is already in love with someone else She prays that he will be an older man of few attractions for she sees herself as plain and uninteresting She is dismayed to discover that Geoffrey is in fact young handsome and fashionable She vows to be a dutiful obedient wife and to devote her life to making him comfortable Arabella s plan seems to be working nicely for both Geoffrey and herself until that is she discovers something about him that shocks her to the core It is an offense she considers quite unforgivable And when Arabella makes up her mind about something she is not easily persuaded to change it Geoffrey is finally shaken out of his complacency to the discovery that his wife means far more to him than he had realized But how is he to win her back when she flatly refuses to be wheedled out of her outrage      **The Summer I Dared** Barbara Delinsky,2014-07-08 Reprint Originally published New York Scribner 2004      **The Hunchback** James Sheridan Knowles,1876      *The Shield* ,1921
