

User testing

The big picture.

Objective

To understand the overall user experience and gauge the overall feel, usability, and functionality of a product, website, mobile app, or prototype.

Methodology

Open-ended, broad in scope. (e.g. asking users to freely explore the interface and share their thoughts).

Target Audience

Typically the product's end-users. (e.g. parents, commuters, job-seekers).

Usability testing

Usability in detail.

Objective

To assess how easy it is to accomplish certain tasks. Usability testing evaluates how efficiently and effectively users can complete specific tasks using a product or website.

Methodology

Narrow in scope, typically using tasks and scenarios to measure how easily users can complete specific objectives.

Target Audience

Could include expert reviews and heuristic evaluations, along with end-users.
