Literary Nonfiction Ewa Hryniewicz Yarbrough arrived in the United States from Poland in 1984 bringing memories of life under a totalitarian regime where the personal was always political In essay after essay in OBJECTS OF AFFECTION her remarkable debut Hryniewicz Yarbrough shows the immigrant s double perspective exploring a bi polar world of displacement and rootlessness geography and memory individual and family history always with an acute awareness of losses and gains that accompany adaptation to a new language and culture and the creation of a new identity      **The Objects of Affection** A. the awe and compassion for the world that we forget with age When we step back from our fast paced lives to appreciate what is simple we can rekindle suppressed memories and feelings through the power of objects     **The Sources of Value**
