## **Oblivion Stories:**

**Oblivion** David Foster Wallace, 2004-06-08 In the stories that make up Oblivion David Foster Wallace joins the rawest most naked humanity with the infinite involutions of self consciousness a combination that is dazzlingly uniquely his These are worlds undreamt of by any other mind Only David Foster Wallace could convey a father's desperate loneliness by way of his son's daydreaming through a teacher's homicidal breakdown The Soul Is Not a Smithy Or could explore the deepest and most hilarious aspects of creativity by delineating the office politics surrounding a magazine profile of an artist who produces miniature sculptures in an anatomically inconceivable way The Suffering Channel Or capture the ache of love's breakdown in the painfully polite apologies of a man who believes his wife is hallucinating the sound of his snoring Oblivion Each of these stories is a complete world as fully imagined as most entire novels at once preposterously surreal and painfully immediate

**Oblivion** David Foster Wallace, 2004 A visionary a craftsman a comedian and as serious as it is possible to be without accidentally writing a religious text He can do anything with a piece of prose and it is a humbling experience to see him go to work on what has passed up till now as modern fiction He's so modern he's in a different time space continuum from the rest of us Goddamn him ZADIE SMITH A recognised master of form and a brilliant recorder of human behaviour David Foster Wallace has been hailed as the most significant writer of his generation TLS Each new book confirms and extends his genius and this new short story collection is no exception He is quite possibly the most exciting literary talent in America today and certainly one of the most influential Wallace's talent is such that you can't help wondering how good can he get TIME OUT

**Oblivion** David Foster Wallace, 2005 Presents a collection of eight short fiction stories by American author David Foster Wallace

**Approaching Oblivion** Harlan Ellison, 2014-04-01 Ellison's stories punch where it hurts and span from baroque far future speculations to near future warnings Science Fiction Ruminations Over the course of his legendary career Harlan Ellison has defied and sometimes defined modern fantasy literature all while refusing to allow any genre to claim him A Grand Master of the Science Fiction Writers of America winner of the Lifetime Achievement Award from the Horror Writers Association as well as winner of countless awards including the Hugo Nebula Edgar and Bram Stoker Ellison is as unpredictable as he is unique irrepressible as he is infuriating Over thirty titles in Ellison's brilliant catalog are now available in an elegant new package featuring Ellison himself Genius never felt so combustible The New York Times called him relentlessly honest and then used him as the subject of its famous Sunday Acrostic People said there was no one like him then cursed him for preventing easy sleep But in these stories Harlan Ellison outdoes himself rampaging like a mad thing through love Cold Friend Kiss of Fire Paulie Charmed the Sleeping Woman hate Knox Silent in Gehenna sex Catman Erotophobia lost childhood One Life Furnished in Early Poverty and into such bizarre subjects as the problems of blue skinned eleven armed Yiddish aliens what it is like to witness the end of the world and what happens on the day the planet Earth swallows Barbra Streisand Oh yeah this one is a doozy

**Contemporary Fictions of Attention** Alice

Bennett,2018-08-09 With the supposed shortening of our attention spans what future is there for fiction in the age of the internet Contemporary Fictions of Attention rejects this discourse of distraction crisis which suggests that the future of reading is in peril and instead finds that contemporary writers construct fictions of attention that find some value in states or moments of inattention Through discussion of work by a diverse selection of writers including Joshua Cohen Ben Lerner Tom McCarthy Ali Smith Zadie Smith and David Foster Wallace this book identifies how fiction prompts readers to become peripherally aware of their own attention Contemporary Fictions of Attention locates a common interest in attention within 21st century fiction and connects this interest to a series of debates surrounding ethics temporality the everyday boredom work and self discipline in contemporary culture **The Problem of Free Will in David Foster Wallace** Paolo

Pitari,2024-06-27 This book argues that David Foster Wallace failed to provide a response to the existential predicament of our time Wallace wanted to confront despair through art but he remained trapped and his entrapment originates in the existentialist contradiction the impossibility of affirming the meaningfulness of life and an ethics of compassion while believing in free will To substantiate this thesis the analysis reads Wallace in conversation with the existentialist philosophers and writers who influenced him S ren Kierkegaard Fyodor Dostoevsky Martin Heidegger Jean Paul Sartre Albert Camus and Ludwig Wittgenstein It compares his non fiction with the sociologies of Christopher Lasch Zygmunt Bauman Ulrich Beck and Elisabeth Beck Gernsheim and Anthony Giddens And it finds inspiration in Giacomo Leopardi Friedrich Nietzsche and Emanuele Severino to conclude that the philosophy which pervades Wallace s works entails despair and represents the essence of our civilization s interpretation of the world David Foster Wallace's Toxic Sexuality Edward

Jackson,2020-06-11 David Foster Wallace s Toxic Sexuality Hideousness Neoliberalism Spermatism is the first full length study of perhaps the most controversial aspect of Wallace s work male sexuality Departing from biographical accounts of Wallace s troubled relationship to sex the book offers new and engaging close readings of this vexed topic in both his fiction and non fiction Wallace consistently returns to images of sexual toxicity across his career to argue that when it comes to sex men are immutably hideous He makes this argument by drawing on a variety of neoliberal logics and spermatism metaphors which in their appeal to apparently neutral economic processes and natural bodily facts forestall the possibility that men can change The book therefore provides a revisionist account of Wallace s attitudes towards capitalism as well as a critical dissection of his approach to masculinity and sexuality In doing so David Foster Wallace s Toxic Sexuality shows how Wallace can be considered a neoliberal writer whose commitment to furthering male sexual toxicity is a disturbing but undeniable part of his literary project Strange Stories from a Chinese Studio Songling Pu,1926 **Harper's New Monthly**
