Auerbach,Marilyn Nelson,2022-01-04 This deeply imaginative and entertaining poetry collection details the pleasures of the orchestra from strong willed A to satisfied Z Two widely acclaimed poets one a composer and classical pianist as well have come together to create this extraordinary portrait of the orchestra in all of its richness and fascination using the structure of the alphabet in a way that s entirely new and delightful A is for the first note you hear as you take your seat in the concert hall played by the headstrong oboe B is for the bassoon the orchestra s jester complaining impatiently through his nose And C is for the conductor like the captain on the bridge of a great ship navigating the composer s musical charts Onward the text goes soaring in reverie and making thought provoking observations while not taking itself too seriously illuminating all the various details that flow together to create the nourishing experience of playing or listening to music **Organ**
