Me And Nero:

She Seduced Me Mark Tedesco ,2021-07-09 I resisted but she drew me back I stayed away but she beckoned me I distanced myself but she haunted me I even rejected her but she did not abandon me This work of nonfiction is divided into chapters in which the reader experiences aspects of art culture history and the present through the eyes of the writer and of the inhabitants of Rome past and present Show Less *She Seduced Me* is that rare book in which the reader becomes part of a magical world in which places monuments and artists come alive through their stories In this case however that world is Rome and the reader becomes a participant in the ebb and flow of the city and gains insight into why so many have fallen in love with Rome despite its faults The journey commences with the reader accompanying the author who standing in front of Michelangelo's Moses statue mouth agape almost hears the artist scream at his creation Speak From this an odyssey of wonder begins what is the story behind the Trevi fountain behind that rock in the middle of the Roman Forum behind all those priests and nuns everywhere behind everything one stumbles upon wonders about and takes selfies in front of The quest is to uncover those stories Author and reader continue to explore the life in the piazzas experience camaraderie with street performers see history through all the senses get lost in Rome observe Americans and foreigners discover unique places to eat speak with Romans explore the houses of Nero Augustus and Livia encounter Caravaggio and chats with expats This work is a virtual tour through a magical city that educates and enthralls **Clyomon and Clamydes 1599** ,1913
