*Me, God, and the Machine* Ann Van Winkle, 1983      **The Green Machine** Daisy M. Jenkins, 2017-11-15 Gene Ramone

Brook Chaplain Brookie ministers to black inmates in the Green Machine the nickname for the privatized for profit prison that relies on a steady stream of black and brown inmates to fill the coffers of its big corporate contractors It s a place where anguish quickly replaces hope Chaplain Brookie s ministry aims to tackle the issues the inmates face and prepare them for life beyond the Green Machine But it s not having the desired impact so he decides to do something radically different He pulls together an unlikely team of inmates to carry out his plan former businessman Mr J who has spent twenty nine years in prison for a crime he didn t commit bright young rapper Chocolate who was in the wrong place at the wrong time and Vanilla who was falsely framed as a drug kingpin by his wealthy classmates Chaplain Brookie faces a major challenge when a fellow chaplain tries to sabotage his plan The complicated intriguing lives of these colorful characters come together in *The Green Machine* a rare glimpse inside prison walls that illuminates the inmates constant battle against degradation humiliation and dehumanization Combining compassion and a compelling chronicle of prison life author Daisy M Jenkins shines a light on the problems and challenges of mass incarceration and the enormous need for rehabilitation *The Green Machine* will make you laugh cry and think about life and those living it behind prison walls      *The G.O.D. Machine* Peter Dilg, 2025-04-24 We live in times where the world is dominated by powerful oligarchs ruthless corporations and rival superpowers many seeking to exploit Artificial Intelligence for their own sinister agendas In these increasingly disrupted times where AI dominance looms and human manipulation of technology threatens our very existence *The G O D Machine* is a socially critical thriller that challenges both our fear of AI itself and the terrifying potential for its abuse by those in power It offers a hopeful yet provocative vision of humanity s next evolutionary step and the universal search for meaning in an age of technological upheaval Who truly controls whom in this dangerous game of power technology and human ambition As the boundaries between human and machine blur and the risk of AI being weaponized by the unscrupulous grows the ultimate question emerges Will AI and those who seek to control it be our downfall or can it become the key to our salvation A breathtaking vision of the future that will captivate you until the final page forcing you to confront the true nature of intelligence power and what it means to be human in a world on the brink of transformation      **God Is Not a Vending Machine** Marvin D. Hinten, Marvin Hinten, 2000-12 Most of us are much better at supporting the idea of prayer than we are at praying This book combines Scriptural insights on pleasing God in prayer with practical insights on making prayer effective Making prayer effective however doesn t mean getting what we want Hinten tells how to use prayer to move from a desire for what we want to a desire for what God wants And in the Putting Prayer Into Practice section at the end of each chapter he suggests specific techniques and topics to help readers meet their goal of not just reading about prayer but praying Best of all while this book is intellectually stimulating it is also eminently readable with clear examples and an engaging sense of humor      **Debate: Is**
