Bartleman,2011-03-04 Muskoka the University of Western Ontario Ottawa New York Colombia Bangladesh Nicaragua Peru Cuba Israel Belgium South Africa Australia the place names tell the story of an amazing career Then there are the people involved Trudeau Clark and Chr tien Kissinger Castro Rabin Walesa Havel Mandela and dozens of others Not to mention the moments of high drama when young Jim Bartleman becomes Ottawa

s security expert on terrorism during the FLQ crisis in 1970 or when he leads the movement to bring countries like Poland and Ukraine into NATO and the West But this is also a light hearted look at what our diplomats actually do and is full of funny stories so watch young Jim attend a drunken party with Trudeau compete with Mother Teresa for Bangladesh babies or sweep his Belgian bride off her feet to the altar Bartleman also writes candidly about falling prey to depression and about his concern as a native Canadian to see aboriginal peoples well treated In summary a richly varied career as the only Canadian diplomat to serve on all six continents well told by a remarkable character On Six Continents is a Douglas Gibson Book

reviewer and the author of several well received plays and half a dozen books he feels that he has failed Even when in 1961 he switches careers to become the founding Master of Massey College and to teach Drama at the University of Toronto his doubts persist It is only in the later years that he begins to sense that his life has not been wasted The book s greatest charm however lies in his letters to the great letters to H L Mencken Alfred Knopf Hugh MacLennan Tyrone Guthrie Margaret Laurence among others and to the not so great like the arrogant applicant for a job at his newspaper who received blistering advice on professionalism All are written with great style appropriate to the occasion For above all Robertson Davies was a professional His astonishingly revealing letters show a promising young man turning into a great literary figure **The**
