A Prehistory of Ordinary People Monica L. Smith, 2021-11-23 For the past million years individuals have engaged in multitasking as they interact with the surrounding environment and with each other for the acquisition of daily necessities such as food and goods Although culture is often perceived as a collective process it is individual people who use language experience illness expend energy perceive landscapes and create memories These processes were sustained at the individual and household level from the time of the earliest social groups to the beginnings of settled agricultural communities and the eventual development of complex societies in the form of chiefdoms states and

empires Even after the advent of civilization about 6 000 years ago human culture has for the most part been created and maintained not by the actions of elites as is commonly proclaimed by many archaeological theorists but by the many thousands of daily actions carried out by average citizens With this book Monica L Smith examines how the archaeological record of ordinary objects used by ordinary people constitutes a manifestation of humankind s cognitive and social development A Prehistory of Ordinary People offers an impressive synthesis and accessible style that will appeal to archaeologists cultural anthropologists and others interested in the long history of human decision making

The Mesopotamia Mess (Paperback) Jack Bernstein, 2008 The British invaded Mesopotamia now called Iraq in 1914 to protect their oil interests and they remained until 1958 Following are some quotes from the book The British cobbled three disparate vilayets Basra Baghdad and Mosul together to take full advantage of Iraq's strategic and economic potential To ensure this contrived nation remained intact and continued to do its bidding the British installed a ruler they could influence formulated a national level governmental structure to ensure its dominance and established a security apparatus dependent on its support Mesopotamia is inhabited solely by Arab tribes and the Arabs are all Mohammedans The Mohammedans of the world are divided into two main sects by irreconcilable differences of religious opinion sects which in Mesopotamia have indulged in innumerable fearful contests for supremacy all of which have tended to sink the country further and further into moral ruin and material exhaustion Parliament seriously discussed evacuating Iraq and Sir Percy Cox High Commissioner in Iraq argued that British policy in Iraq was working would bear dividends great enough to justify its continuance and that if prematurely curtailed the result would be disastrous He also stated that a withdrawal would lead inevitably to anarchy The very first British action upon entering Basra was to establish public order in the city Looters had sacked the city British and Indian military police were patrolling the streets within hours of the British entry into Basra General Nixon stated that the troops he had with him were sufficient to enable him to inflict decisive defeat upon the Turks and to seize Baghdad but that in order to hold the city he would require reinforcements Ultimately Asquith's government failed to provide its forces in Iraq with the strategic guidance manpower and material means to achieve victory

Disappearing Foods Harlan Walker, 1995

Cuisine and Empire Rachel Laudan, 2015-04-03 Rachel Laudan tells the remarkable story of the rise and fall of the world's great cuisines from the mastery of grain cooking some twenty thousand years ago to the present in this superbly researched book Probing

beneath the apparent confusion of dozens of cuisines to reveal the underlying simplicity of the culinary family tree she shows how periodic seismic shifts in culinary philosophy beliefs about health the economy politics society and the gods prompted the construction of new cuisines a handful of which chosen as the cuisines of empires came to dominate the globe Cuisine and Empire shows how merchants missionaries and the military took cuisines over mountains oceans deserts and across political frontiers Laudan s innovative narrative treats cuisine like language clothing or architecture as something constructed by humans By emphasizing how cooking turns farm products into food and by taking the globe rather than the nation as the stage she challenges the agrarian romantic and nationalistic myths that underlie the contemporary food movement

Keeping Heaven on Earth Michael B. Hundley, 2011 Revision of the author s thesis Ph D University of Cambridge 2010

Bread Influence Tessa Kwan, AI, 2025-03-11 Bread Influence explores the captivating history of bread revealing its profound impact on culture society and the economy From its ancient origins as simple flatbreads to its modern day artisanal forms bread has been a consistent thread connecting civilizations The book highlights how bread acted as a reflection of societal values and shaped traditions across the globe The book examines the origins of bread making its socio cultural roles and the resurgence of artisanal baking Did you know that bread played a significant role in early agriculture and the development of settled societies Or that it has been a key element in religious rituals across different cultures By exploring these aspects Bread Influence demonstrates that bread is more than just sustenance it is a dynamic cultural artifact The book progresses logically starting with the invention of flatbreads in ancient Mesopotamia and Egypt and then following bread s diversification across cultures and its evolution through industrialization to the artisanal renaissance Drawing from archaeological findings historical texts and ethnographic studies Bread Influence provides a comprehensive and interdisciplinary analysis that will appeal to food enthusiasts history buffs and anyone interested in the cultural significance of food
