**Global Values Education** Joseph Zajda, Holger Daun, 2009-08-11 Global Values Education Teaching Democracy and Peace which is the seventh volume in the 12 volume book series Globalisation Comparative Education and Policy Research presents scholarly research on major discourses in values education globally. It provides an easily accessible practical yet scholarly source of information about the international concern in the field of globalisation and comparative education. Above all the book offers the latest findings to the critical issues concerning major discourses in comparative education in values education in the global culture. It is a sourcebook of ideas for researchers, practitioners and policy makers in values education, multiculturalism and moral education. It offers a timely overview of current issues affecting values education, comparative education and education policy research in the global culture. It provides directions in values education and policy research relevant to transformational educational reforms in the twenty first century. See also Zajda, Rust, 2009. This book critically examines the overall interplay between values education, globalisation, dominant ideologies and implications for policy research. See also Apple, 2004. It draws upon recent studies in the areas of globalisation, equity, social justice and the role of the State. Zajda, Biraimah, Gaudelli, 2008. It explores conceptual frameworks and methodological approaches applicable in the research covering values education, globalisation, equity and multicultural education. Various book chapters critique the dominant discourses and debates pertaining to values education, multiculturalism and relevant comparative education discourses.

**Proceedings of the World Conference on Governance and Social Sciences (WCGSS 2023)** Abdul Razaq Cangara, Ahmad Ismail, Muhammad Chaeroel Ansar, 2024-04-27 This is an open access book. In our interconnected world, urgent attention and collaborative action are required to address a complex web of global challenges. These challenges include climate change, global poverty, post-pandemic economic slowdown, corruption, democratic deficit, artificial intelligence, technological disruptions, and geopolitical conflicts. These issues are intricately interplayed, making their solutions multifaceted and interdependent. To explore and discuss these challenges within the context of social and political sciences, the Faculty of Social and Political Sciences Hasanuddin University is organizing the World Conference on Governance and Social Sciences (WCGSS) in Makassar, South Sulawesi, Indonesia, on 8-9 July 2023. This conference calls on scholars, researchers, policymakers, and practitioners to identify sustainable development solutions for our rapidly evolving world.
