[Style and Masculine Elegance](#) Kamal Jahid, 2016-04-18 Sure it might all seem so shallow What does it really matter how you dress it's what's on the inside that's really important right I can't argue with that But if you don't dress in a way that shows what you've got on the inside in a way that catches eyes and starts conversations how are you ever going to get people to notice you and find out who you are Dressing well is about sharing your pride in yourself with the world And it's not just about other people's reactions when you take a little time for yourself and when you feel confident about how you look you'll find that confidence helping you out when you need it This is what this book you are about to read is all about In Style Masculine Elegance book you will learn How dressing well can help you feel good about yourself and also find the love of your life How a well dressed man is perceived by other people Did you know that looking elegant can also be the key to professional success How a great fitting suit can change your outlook on life The basics of suits how they should fit

what color s you should choose how to keep them clean and what to know before you buy one How to keep your suit shirt and accessories looking fresh even when you travel Strategic accessorizing to make one suit look like several different ones How to put your personal style into a suit If there s a formal occasion in your future don t worry you ll find out everything you need to know about tuxedos How to knot a tie keep it clean and make it do what it s supposed to compliment your look and give your suit some personality Choosing the right kind of bowtie and why wearing one in the first place is a great idea Why pocket squares might just be the best men s accessory out there How to coordinate your pocket square with your tie and other accessories Pocket square folds and which one s would be perfect for your look How to care for your pocket square What your pocket square color choice says about you Why you should wear a lapel flower and how to take care of one How to take your shoe game to the next level Men s dress shoe options there are so many more than you think Tips for caring for your shoes Why socks are totally underrated Cufflinks basics and how to find the perfect pair All about facial hair a truly man made accessory Which facial hair style would look best with your face shape And much much more

Fashion for Men

Diana De Marly,1989 From medieval times to the present Fashion for Men describes the development of male attire with the aid of nearly a hundred illustrations Diana de Marly offers a lively discussion of the male ideal and its relationship to the clothes people wore What was it that was considered so shocking about the ever receding short skirts of fourteenth century fashionable man What was the significance of the rise and later the decline of the codpiece so blatantly drawing attention to what later centuries were generally at pains to hide The history of men s clothing is set in a wide social context and the author shows above all that views about masculinity are subject to change and that preoccupation with dress is not exclusively a female preserve Fashion for Men will not only be invaluable to students of costume history and fashion design but will also appeal to the general reader fascinated by the intricacies of costume and its development
