## Mon Cher Papa:

Mon Cher Papa Claude-Anne Lopez,2005-11-01     **The First American** H. W. Brands,2010-05-26 PULITZER PRIZE FINALIST Benjamin Franklin perhaps the pivotal figure in colonial and revolutionary America comes vividly to life in this thorough biography of America's first Renaissance man The Washington Post by the two time Pulitzer Prize finalist bestselling historian and author of Our First Civil War The authoritative Franklin biography for our time Joseph J Ellis author of the Pulitzer Prize winning Founding Brothers Wit diplomat scientist philosopher businessman inventor and bon vivant Benjamin Franklin's life is one every American should know well and it has not been told better than by Mr Brands The Dallas Morning News From penniless runaway to highly successful printer from ardently loyal subject of Britain to architect of an alliance with France that ensured America's independence Franklin went from obscurity to become one of the world's most admired figures whose circle included the likes of Voltaire Hume Burke and Kant Drawing on previously unpublished letters and a host of other sources acclaimed historian H W Brands has written a thoroughly engaging biography of the eighteenth century genius A much needed reminder of Franklin's greatness and humanity The First American is a work of meticulous scholarship that provides a magnificent tour of a legendary historical figure a vital era in American life and the countless arenas in which the protean Franklin left his legacy Look for H W Brands's other biographies ANDREW JACKSON THE MAN WHO SAVED THE UNION Ulysses S Grant TRAITOR TO HIS CLASS Franklin Roosevelt and REAGAN     **The Origin of the Land Grant Act of 1862 (the So-called Morrill Act)** Edmund Janes James,1910     *Pietism in Petticoats and Other Comedies* Louise Adelgunde Victorie Gottsched,1994 First English translation of Gottsched's five original comedies Luise Adelgunde Gottsched 1713 1762 poet essayist translator and playwright was regarded during her lifetime as intellectually the most formidable woman in Germany Together with her better known husband Johann C Gottsched she crusaded to reform the language and literary taste of the Germans Frau Gottsched's most important contribution to German literature came in the form of her translations and original comedies in the French classical style The present volume offers for the first time in English translation Luise Gottsched's five original comedies including Pietism in Petticoats 1736 The targets of her biting wit are hypocritical religious fundamentalists the gentry middle class social climbers German francophiles and pseudo intellectuals These witty satires make it obvious why Luise has come to be viewed as the mother of the modern German comedy     *Mon cher papa* Claude-Anne Lopez,1966     **The Origin of the Land Grant Act of 1862** Edmund Janes James,1910     **Benjamin Franklin** Thomas S. Kidd,2017-05-23 A major new biography illuminating the great mystery of Benjamin Franklin's faith Renowned as a printer scientist and diplomat Benjamin Franklin also published more works on religious topics than any other eighteenth century American layperson Born to Boston Puritans by his teenage years Franklin had abandoned the exclusive Christian faith of his family and embraced deism But Franklin as a man of faith was far more complex than the thorough deist who emerges in his autobiography As Thomas Kidd reveals deist writers

influenced Franklin's beliefs to be sure but devout Christians in his life including George Whitefield the era's greatest evangelical preacher his parents and his beloved sister Jane kept him tethered to the Calvinist creed of his Puritan upbringing Based on rigorous research into Franklin's voluminous correspondence essays and almanacs this fresh assessment of a well known figure unpacks the contradictions and conundrums faith presented in Franklin's life    The Origin of the Land Grant Act of 1862 (the So-called Morrill Act) and Some Account of Its Author, Jonathan B. Turner Edmund

Janes James,1913    **Poor Richard's Women** Nancy Rubin Stuart,2022-03-15 Meet the overlooked women in history who

loved nurtured and defended the famed American scientist and founding father highlights a side of Ben Franklin too often ignored by historians and provides a necessary reminder that the women who came into his life are as deserving of our attention as Ben himself Carol Berkin author of Revolutionary Mothers Everyone knows Benjamin Franklin the thrifty inventor statesman of the Revolutionary era but not about his love life Poor Richard's Women reveals the long neglected voices of the women Ben loved and lost during his lifelong struggle between passion and prudence The most prominent among them was Deborah Read Franklin his common law wife and partner for 44 years Long dismissed by historians she was an independent politically savvy woman and devoted wife who raised their children managed his finances and fought off angry mobs at gunpoint while he traipsed about England Weaving detailed historical research with emotional intensity and personal testimony Nancy Rubin Stuart traces Deborah's life and those of Ben's other romantic attachments through their personal correspondence We are introduced to Margaret Stevenson the widowed landlady who managed Ben's life in London Catherine Ray the 23 year old New Englander with whom he traveled overnight and later exchanged passionate letters Madame Brillon the beautiful French musician who flirted shamelessly with him and the witty Madame Helvetius who befriended the philosophes of pre Revolutionary France and brought Ben to his knees What emerges from Stuart's pen is a colorful and poignant portrait of women in the age of revolution Set two centuries before the rise of feminism Poor Richard's Women depicts the feisty often forgotten women dear to Ben's heart who despite obstacles achieved an independence rarely enjoyed by their peers in that era    Sandpeep Sara Elisabeth Boggs,1906    **The Love of a Prince** Laurence L.

Bongie,2011-11-01 Many books have been written about Bonnie Prince Charlie but few have brought to light as much new material as this one including evidence of a short lived son born in Paris scarcely two years after the royal fugitive escaped to France following the unlucky Battle of Culloden The book deals less with the oft told story of the Prince's crushing defeat in 1746 than with his subsequent inability to cope with failure and with the even more devastating personal defeat represented by his arrest in Paris and expulsion from France in 1748 During that critical time a major turning point in his life the once generous and compassionate Prince having failed in his noble ambition either to vanquish his enemies or perish sword in hand began his long descent into oblivion One happy event hitherto unnoted nevertheless marked this crucial period As the Prince in 1747-48 watched his world crumbling around him his father and brother in Rome having abandoned him and given

up hope of a Stuart restoration he fell in love for the first time in his life with his married cousin Louise Princesse de Rohan like himself a direct descendant of Poland's King John Sobieski The Love of a Prince is her story too and an extensive appendix to the work is devoted to the passionate love letters she wrote during their clandestine affair They convey the full tragedy of an archetypal femme abandonnee whom we observe progressing from the initial joys of young love to inevitable catastrophe Ultimately the princess's suffering and her moral defeat become little more than an unhappy subplot in the Prince's own saga of distrust bad faith and angry failure set amid the intrigues and petty jealousies of the French court Nearly a decade of research by the author in the Stuart Papers at Windsor Castle and in private and public archives has gone into the work Though at times challenging for the general reader because of its period French documentation retained for the sake of authentic flavour the work is by no means directed to the specialist alone Indeed at times The Love of a Prince reads more like an historical romance than history despite the total absence of fictional elements It will appeal to those interested in eighteenth century history and biography followers of the royal families of Europe and especially those long fascinated by the exploits of one of history's legendary heroes **Benjamin Franklin and the Ladies of Paris** Claude Anne Lopez, WTIC - Hartford, Yale Press, 1966 **Rosa** Élise Françoise Louise de Plessis-Gouret de Pressensé, 1900
