**The Montanans' Fishing Guide: Montana waters west of Continental Divide** Dick Konizeski,Richard L. Konizeski,1998 Over the years many other Montana fishing guide books have come along But none have been as comprehensive in their listings as Konizeski s Missoulain Good Life Wasted Dave Ames,2005-08-01 Told through the eyes of a longtime Montana fishing guide and itinerant fishing bum A Good Life Wasted offers a unique perspective on an implausible period in the recent history of human civilization When Dave Ames started guiding Rocky Mountain locals rode horses and dug camas roots now they re trading stock options on cell phones The collision of stone and computer ages was short lived but the deep rooted themes of this book remain A Good Life Wasted a chronicle and celebration of the fishing guide life is poignant and spiritual it s Blackfoot Indians and copper miners daughters it s fiddles and guitars and the fabric of space it s about what happens to wild people when the wilderness is gone From the first chapter in which Dave Ames recalls bluffing his way into a job as a fishing guide to the rich and famous after barely managing to suppress the overwhelming urge to go postal at the federal agency where he suffered his first and only real job in a cubicle farm we re

hooked We gladly follow Ames as he describes the rite of tasting clouds of mating midges to better match the hatch tells the story of a fabled Blackfoot fishing guide and shares his further adventures as a guy with no job no office and no stress A Good Life Wasted spins a fascinating compelling web a web that entices the deskbound salary slave to make a break for it and head west to big sky and fast cold water ASAP     **Montana Fly-Fishing Guide East** John Holt,2002-06 An irreplaceable reference that offers everything a fly fisher needs for the ultimate eastern Montana fishing experience illustrated with great maps and hatch charts     *Montana Wild Life* Montana Fish and Game Commission,1928     **Home - Montana Fish**
