Exploring Montana Through Project-Based Learning Carole Marsh, 2016-05-17 Exploring Montana through Project Based Learning includes 50 well thought out projects designed for grades 3 5 In assigning your students projects that dig into Montana s geography history government economy current events and famous people you will deepen their appreciation and understanding of Montana while simultaneously improving their analytical skills and ability to recognize patterns and big picture themes Project based learning today is much different than the craft heavy classroom activities popular in the past Inquiry planning research collaboration and analysis are key components of project based learning activities today However that doesn t mean creativity individual expression and fun are out They definitely aren t Each project is designed to help students gain important knowledge and skills that are derived from standards and key concepts at the heart of academic subject areas Students are asked to analyze and solve problems to gather and interpret data to develop and evaluate solutions to support their answers with evidence to think critically in a sustained way and to use their newfound knowledge to formulate new questions worthy of exploring While some projects are more complex and take longer than others they all are set up in the same structure Each begins with the central project driving questions proceeds through research and supportive questions has the student choose a presentation option and ends with a broader view inquiry Rubrics for reflection and assessments are included too This consistent framework will make it easier for you assign projects and for your students to follow along and consistently meet expectations Encourage your students to take charge of their projects as much as possible As a teacher you can act as a facilitator and guide The projects are structured such that students can often work through the process on their own or through cooperation with their classmates

Dept. of Agriculture, Labor, and Industry, 1921 *Montana* Krys Holmes, Susan C. Dailey, 2008 More than 12 000 years of Montana history come to life in *Montana Stories of the Land* This new book created for use in teaching Montana history offers a panorama of the past

beginning with Montana's first people and ending with life in the twenty-first century. Incorporating Indian perspectives, *Montana Stories of the Land* is the first truly multicultural history of the state. It features hundreds of historical photographs, unique artifacts, maps, and paintings largely drawn from the Society's extensive collections. Sidebar quotations bring the stories of ordinary people to life while providing diverse perspectives on important historical events. Published by the Montana Historical Society Press with production management by Farcountry Press. Features 463 photos, maps, and artifacts primarily drawn from the Montana Historical Society's collections. Fully integrates the history of Montana's Indians into the state's story. Uses quotations from everyday people to bring Montana's past to life.
