foxhole and face enemy fire But it takes a little more than courage to keep him going when every instinct dictates that he should do otherwise This truth becomes self evident when the men belonging to Recon Team Kilo a Special Forces A Team operating deep in hostile territory are overwhelmed by indigenous forces Without leadership and unit cohesion the survivors struggle to stay faithful to their code of conduct in the face of brutal imprisonment and an uncertain future An elite force ready to place themselves in harm s way to save their own is sent on a dangerous mission to rescue the POWs They re lead by Lieutenant Colonel Harry Shaddock whose men would follow him anywhere His mission is to save fellow soldiers while putting his own in harm s way As the families of the imprisoned soldiers learn that their loved ones are being killed off one by one the operation becomes more dangerous than anyone had imagined In order to triumph all must draw upon something from within SOMETHING MORE THAN COURAGE Nobody knows war like Harold Coyle and nobody writes it better Stephen Coonts Treasury of Wisdom, Wit and Humor, Odd Comparisons and Proverbs ,1891 **The New Age** Alfred Richard Orage,Arthur Moore,1914 **Plato and the Virtue of Courage** Linda R. Rabieh,2006-10-18 Based on Plato s presentation Rabieh argues that a refined version of traditional heroic courage notwithstanding certain excesses to which it is prone is worth honoring and cultivating for several reasons Chief among these is that by facilitating the pursuit of wisdom such courage can provide a crucial foundation for the courage most deserving of the name Recent concerns about political and military leadership have rekindled in Americans questions about the virtue of courage As long as the survival of a nation requires heroic action by its citizens this ancient virtue will have a place in the modern world BOOK JACKET **The Military Engineer** ,1927 Directory of members constitution and by laws of the Society of American Military Engineers 1935 inserted in v 27 Princes at War Deborah Cadbury,2015-03-10 In 1936 the British monarchy faced the greatest threats to its survival in the modern era the crisis of abdication and the menace of Nazism The fate of the country rested in the hands of George V s sorely unequipped sons a stammering King George VI terrified that the world might discover he was unfit to rule a dull witted Prince Henry who wanted only a quiet life in the army the too glamorous Prince George the Duke of Kent a reformed hedonist who found new purpose in the RAF and would become the first royal to die in a mysterious plane crash the Duke of Windsor formerly King Edward VIII deemed a Nazi sympathizer and traitor to his own country a man who had given it all up for love Princes at War is a riveting portrait of these four very different men miscast by fate one of whom had to save the monarchy at a moment when kings and princes from across Europe were washing up on England s shores as the old order was overturned Scandal and conspiracy swirled around the palace and its courtiers among them dangerous cousins from across Europe s royal families gold digging American socialite Wallis Simpson and the King s Lord Steward upon whose estate Hitler s deputy Rudolf Hess parachuted seemingly by coincidence as London burned under the Luftwaffe s tireless raids Deborah Cadbury draws on new research personal accounts from the royal archives and other never before revealed sources to create a dazzling sequel to The King s Speech and tell the true and thrilling drama of Great Britain at war and of a
