Mormonism And Freemasonry:

Freemasonry Threaded Through Mormonism Jay M. Hawkinson, 2014-03-10 Freemasonry in AMERICA was torpedoed by one man in 1826 Then Freemasonry in AMERICA all but died Mormonism was born as a new religion in 1830 seemingly from the ashes of Freemasonry As it turned out Freemasonry unknowingly provided inspiration and direction for Mormonism to develop and grow The secretive fraternity of Freemasonry and the secretive religion of Mormonism grew using the same tenants The world now benefits from the growth and services of both organizations *Method Infinite: Freemasonry and the Mormon Restoration* Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded **The Relationship of "Mormonism" and Freemasonry** Anthony W. Ivins, 1934 **Mormonism and Masonry** Samuel H. Goodwin, 1921 "Mormonism" and Masonry Elmer Cecil McGavin, 1956 Equal Rites Clyde R. Forsberg Jr., 2004-03-10 Both the Prophet Joseph Smith and his Book of Mormon have been characterized as ardently indeed evangelically anti Masonic Yet in this sweeping social cultural and religious history of nineteenth century Mormonism and its milieu Clyde Forsberg argues that masonry like evangelical Christianity was an essential component of Smith s vision Smith s ability to imaginatively conjoin the two into a powerful and evocative defense of Christian or Primitive Freemasonry was Forsberg shows more than anything else responsible for the meteoric rise of Mormonism in the nineteenth century This was to have significant repercussions for the development of Mormonism particularly in the articulation of specifically Mormon gender roles Mormonism s unique contribution to the Masonic tradition was its inclusion of women as active and equal participants in Masonic rituals Early Mormon dreams of empire in the Book of Mormon were motivated by a strong desire to end social and racial discord lest the country fall into the grips of civil war Forsberg demonstrates that by seeking to bring women into previously male exclusive ceremonies Mormonism offered an alternative to the male dominated sphere of the Master Mason By taking a median and mediating position between

Masonry and Evangelicism Mormonism positioned itself as a religion of the people going on to become a world religion But the original intent of the Book of Mormon gave way as Mormonism moved west and the temple and polygamy indeed the quest for empire became more prevalent The murder of Smith by Masonic vigilantes and the move to Utah coincided with a new imperialism and a new polygamy Forsberg argues that Masonic artifacts from Smith s life reveal important clues to the precise nature of his early Masonic thought that include no less than a vision of redemption and racial concord

Additional Studies in Mormonism and Masonry Samuel H. Goodwin,1927 *Relationship of Mormonism and Freemasonry* Anthony W. Ivins,2013-10 This is a new release of the original 1934 edition Relationship of Mormonism and Freemasonry, the by Anthony W. Ivins Anthony Woodward Ivins,1934-01-01 *The Angel and the Sorcerer* Peter Levenda,2012-09-01 Based on Levenda s research into Mormonism Freemasonry and esoteric societies over the past thirty years this book is intended for an audience that is curious about Mormonism in light of the fact that at the beginning of 2012 there were two Mormons running for the GOP presidential nomination against two Roman Catholics There has been much confusion in the media over various Mormon phenomena such as the magic underwear polygamy Big Love style and much else This book examines the beliefs and reveals the facts of Mormon ideas and practice starting with its founder Joseph Smith Jr who began his religious career with rituals of ceremonial magic and divination and ended it with Freemasonry the largest militia in the state of Illinois a candidacy for US president and assassination Levenda also discussed the Mormons connection to Howard Hughes Richard Nixon and Watergate as well as the role of Mormons in contemporary Presidential elections This is the fascinating story of a purely American religion its occult origins and the rise of Mormons in American politics

Freemasonry Threaded Through Mormonism Jay Hawkinson,2021-01-11 Although modern Freemasonry dates back to 1717 in England the disciplined Order soon developed in America An incident in 1926 in Batavia New York led to a devastating upheaval that nearly destroyed Masonry in America However One Joseph Smith Jr took particular interest in all that was happening in Batavia with the Freemasons and likely thought that it would be the end of the Order He grasped what he learned from Batavia and used his findings to develop his own religious movement in Palmyra New York Members of Joseph Jr s family were Masons In 1930 Joseph Jr s 584 pages Book of Mormon was printed and the Church of God became formally established The new church drew members and established a church site in Kirtland Ohio Church visions quickly changed to establish the City of Zion for the second coming of Christ just east of Independence Missouri The church members followed and set roots in the new city of Zion It was a mistaken vision because the Mormon membership rapidly grew and overtook the local government The government retaliated and forced the Mormons out of Missouri A Mormon Quorum had been established and was comprised of Freemasons for the most part but at this point some of the Quorum split off to form their own sects The Mormon church body moved back to Illinois and established themselves in Nauvoo Illinois on the Mississippi River Joseph Smith Jr now know as Prophet Joseph Smith lead a continuously growing movement and was

granted militia privilege by the governor Notable John Browning the gunsmith established his family in Nauvoo Members of the church Quorum encouraged the Illinois Grand Lodge of Masonry to establish a Lodge in Nauvoo Prophet Smith became a Mason as did every man in the colony the largest membership base in the state However they defiled the Grand Lodge and were stripped of their Masonry Surrounding citizens rose up against the Mormons Prophet Smith and some Quorum members were jailed and vigilantes shot and killed Prophet Smith The Mormons were then run out of Illinois and headed west to a New Zion by Brigham Young The Mormon migration was underway to Western Iowa and then beyond The ultimate Mormon colony settled in Salt Lake City
