*Mortal Deception* Robert Peters, 2004      **Mortal Choices** Ruth Macklin, 1988      What Happened on the Cross Nick Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him      The Politics of Sacrifice in Early Greek Myth and Poetry Charles H. Stocking, 2017-03-30 This book offers a new interpretation of ancient Greek sacrifice from a cultural poetic perspective Through close readings of the Theogony the Homeric Hymn to Demeter the Homeric Hymn to Hermes and the Odyssey in conjunction with evidence from material culture it demonstrates how sacrifice narratives in early Greek hexameter poetry are intimately connected to a mythic poetic discourse referred to as the politics of the belly This mythic poetic discourse presents sacrifice as a site of symbolic conflict between the male stomach and female womb for both mortals and immortals Ultimately the book argues that the ritual of sacrifice operates as a cultural mechanism for the perpetuation of patriarchal ideology not just in early Greek hexameter but throughout Greek cultural history
