Moscow by Nightmare Joyce L. Shub, Joyce Lasky Reed, 1973 **America's Two Cold Wars** Alfredo Toro Hardy, 2022-03-20 This book focuses on ascertaining what distinguishes the Cold War that the U S sustained with the USSR from the one now emerging with China By comparing their characteristics it elaborates on how well prepared the US is to undertake this fresh challenge In doing so the book analyses six fundamental differences between both cold wars ideology alliances strategic consistency military economics and containment While the configuration of factors benefited the US during its first Cold War they now point in the opposite direction While the first Cold War was instrumental in projecting the US to the pinnacle the second can only accelerate its dwindling Eurasia's Ascent in Energy and Geopolitics Robert Bedeski, Niklas Swanström, 2012-08-06 The Sino Russian relationship has experienced several permutations in recent decades as both states have undergone radical domestic changes including the end of Soviet communism and the abandonment of Maoism This volume brings together scholars to address the current status of Sino Russian relations in the political military energy and trade sectors In this comprehensive new volume authors offer a detailed account on the both the historical context and current status of relations between Russia and China and the geo political realignments in Eurasia This analysis of the evolving relationship addresses global strategy energy politics national security human security and Central Asian links Individual chapters examine key issues such as China s economic ascendancy military relations the geostrategic position of Mongolia Japan s views and historical background With authors representing a broad range of current active experts and researchers working in Europe the US Central Asia China and Japan this book offers a long term and in depth analysis of the relations and potential developments in both bilateral and international relations This work will be of great interest to scholars of international relations Asian security and the Eurasian region *Contemporary Issues in Soviet Foreign Policy* Fleron, This survey of writings on the debates about and events relating to Soviet foreign policy concentrates on the Gorbachev period Changes in Soviet theory and foreign policy decision making are covered in the first section Twelve articles examine Gorbachevs policy towards a number of different geographic regions and several more assess the permanence of Gorbachevs foreign policy changes **Soviet Foreign Policy** Erik P. Hoffmann, Robbin Frederick Laird, Frederic J. Fleron, **The History of Nations** Henry Cabot Lodge, 1913 **Congressional Record** United States. Congress, 1993 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The Life & Letters of Peter Ilich Tchaikovsky Modest Chaïkovskiï, 1906 *Jimmy Carter in Africa* Nancy Mitchell, 2018-04-10 By a wide margin the best book about Carter s presidency that s yet appeared Christian Science Monitor In the mid 1970s the Cold War had frozen into a nuclear

stalemate in Europe and retreated from the headlines in Asia As Gerald Ford and Jimmy Carter fought for the presidency in late 1976 the superpower struggle overseas seemed to take a backseat to more contentious domestic issues of race relations and rising unemployment There was one continent however where the Cold War was on the point of flaring hot Africa Jimmy Carter in Africa opens just after Henry Kissinger's failed 1975 plot in Angola as Carter launches his presidential campaign The Civil Rights Act was only a decade old and issues of racial justice remained contentious Racism at home undermined Americans efforts to win hearts and minds abroad and provided potent propaganda to the Kremlin As President Carter confronted Africa the essence of American foreign policy stopping Soviet expansion slammed up against the most explosive and raw aspect of American domestic politics racism Drawing on candid interviews with Carter as well as key U S and foreign diplomats and on a dazzling array of international archival sources Nancy Mitchell offers a timely reevaluation of the Carter administration and of the man himself In the face of two major tests in Rhodesia and the Horn of Africa Carter grappled with questions of Cold War competition domestic politics personal loyalty and decision making style Mitchell reveals an administration not beset by weakness and indecision as is too commonly assumed but rather constrained by Cold War dynamics and by the president's own temperament as he wrestled with a divided public and his own human failings Jimmy Carter in Africa presents a stark portrait of how deeply Cold War politics and racial justice were intertwined An impressive historical work in every respect Choice Her writing flows and she places Carter's Africa policy within the larger context of US foreign policy and politics International Journal *The History of Nations: Morfill, W.R. Russia and Poland*, 1913 *The Life & Letters of Peter Ilich Tchaikovsky* Modest Ilitch Tchaïkovski, 1906 **Russia and Poland** William Richard Morfill, 1928 *Crime Fiction, 1749-1980* Allen J. Hubin, 1984 *The Desirable Woman* Carlton Dawe, 1929 *Lenin* Mark Aleksandrovich Aldanov, 1922 **Your Forma, Vol. 4** Mareho Kikuishi, 2023-09-05 Harold and Echika may have brought their latest case to a close but the AI developer who facilitated E's campaign against Interpol is nowhere to be found To ascertain the identity of this enigmatic individual the pair requests the aid of their friend Bigga now a consultant with the Electrocrime Investigations Bureau Yet even her help isn't enough to give them a lead Meanwhile a brutally dismembered Amicus is discovered in a public park and the modus operandi bears an eerie resemblance to the Nightmare of Petersburg spree killings in which Harold's mentor was murdered **Henryk Erlich and Victor Alter**, 1990 *Cinematic Cold War* Tony Shaw, Denise Jeanne Youngblood, 2010 The first book length survey of cinema's vital role in the Cold War cultural combat between the U S and the USSR Focuses on 10 films five American and five Soviet both iconic and lesser known works showing that cinema provided a crucial outlet for the global debate between democratic and communist ideologies **Locomotive Engineers Journal**, 1902 *Brotherhood of Locomotive Engineer's Monthly Journal*, 1902
