**That Feeling Your Time's Up** Aaron Michael Ricossa,2022-06-07 Stranded from her life isolated from the world and on the run Luisa is still able to find joy in the time spent with her friends and family Those moments those fragments of a life in hiding that aren't filled with fear may soon be coming to an end as Ferrum Penna's noose slowly tightens around their necks As Luisa Hunter and the gang sail the Mediterranean searching for answers the answers they search for may be closing in on them As two opposing forces both desperately search for the other the only answer may be in accepting defeat and praying for victory Desperately searching for a way to clear their names Luisa Hunter and the gang test fate by poking their noses in the lives of those who wish to remain hidden Their hope and fear is that one of those lives will result in coming face to face with those behind the mask of Ferrum Penna Will Luisa's growing skill with the feeling be enough or will it only prove to be too much      *That Feeling You Chase* Aaron Michael Ricossa,2022-06-07 Having not only survived Copenhagen but

flourishing because of it Luisa Stein now finds herself a household name Heading a new transparent Havoc along with her flourishing knowledge and skill in the feeling has resulted in a new wave of anti corruption For many she has become a beacon of truth in a time of utter mistrust Meetings with world leaders and business executives have become the norm but this trip to the inauguration of Hungary's new President might prove to be anything but Though the city of Budapest may be beautiful with a rich and powerful history the rich and powerful may be exactly the problem A simple night of handshakes and smiles quickly turns into a race for life freedom and the answers to questions Luisa didn't even know to ask Will the feeling be enough to stop a madman who's hijacked the President's inauguration and kidnapped the entire Hungarian government Or will Hunter Lin and her friends be the key to escaping his clutches and putting an end to what is already set in motion Join Luisa as her world is turned upside down once again in this whirlwind epic through the streets of Budapest

*The Soviet Way* Aaron Michael Ricossa,2022-06-07 High school is hard enough but for Travis Hunter surviving the captain of the football team wanting to knock his teeth out and the school's feared principal breathing down his neck is nothing compared to trying to stop a soviet spy from stealing NATO secrets all while on a field trip to Washington D C 1983 Michael Jackson is at his prime Star Wars is filling the big screen and all the while the cold war is bubbling below the surface Any moment that bubble could burst leaving nothing but a nuclear holocaust behind The best spies in the world work tirelessly to give their country the advantage and keep the world in one piece and yet it's a boy a mere teenager who doesn't even have his driver's license yet who will decide the fate of billions Trust and mistrust blur as Hunter stumbles his way through the day His only hope is that the feeling can guide him down the right path The fate of the world may rest on a feeling that Hunter has yet to master or even fully understand A feeling it turns out he may not be alone in having
