**Baby Moses** Brendan Powell Smith, 2016-11-01 The Israelites were living in Egypt for some time before the new pharaoh decided to enslave them to weaken their power and numbers It was a terrible time for the God's chosen people and was made even worse when Pharaoh decreed that any baby boy born to an Israelite should be killed Jochebed an Israelite slave had a baby boy named Moses In order to save her son she placed him in a basket and set him floating down the Nile River with his older sister Miriam watching over him The baby was saved however by an Egyptian princess who gave him the name he'd carry into the desert leading his people out of bondage and up a mountain to receive God's laws for his people The story of baby Moses his journey down the Nile and his growth into a man who would lead God's chosen people out of Egypt is a timeless important story about faith love and redemption Now for the first time this epic story comes to life as part of The Brick Bible for Kids series Enjoy reading one of the Bible's most colorful stories illustrated in LEGO as a family Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love to play Minecraft stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
